FIREMEN PLAN 95TH BATTLE ANNIVERSARY

Further plans for the 95th Battle Anniversary program were outlined Wednesday evening at a meeting of the Gettysburg Fire Department at the engine house.

General Chairman Robert Hartman reported on activities including the start of the annual solicitation Monday evening. He told the group that all rides and similar amusements which were at last year's festival have been secured for a repeat engagement this year.

Fir Chief Donald Staub announced that Tuesday fire drills will be cancelled until "after the festival" because of the solicitation starting next week and other activities in connection with the anniversary program.

Asks Help At Rec Park

When the fire drills are resumed in July "we hope from time to time to work out more ambitious and interesting drills than we have been able to conduct on our own," Chief Staub said. "We believe we can make arrangements with nearby companies to take part in drills that will include actual fighting of fires, particularly with wet water and foam."

Chief Staub reported excellent success with the new "iron lung" but added that the motor is geared to use only alternating current. "It is possible to have the motor changed so that it could in an emergency operate off direct current from a generator. The cost would be about \$20 and thus the machine could be used anywhere at any time." The department voted to have the appropriate changes made in the motor.

Glenn Weishaar reported the concrete footings for the kitchen being constructed at the Recreation Field were poured Wednesday. He

VFW REVIEWS BLOCK PARTY PLANS FOR WEEK

Plans for the first annual block party of the Gettysburg VFW, beginning Monday and extending throughout next week, were outlined Wednesday night at a meeting of the VFW and Home Association at the post home on E. Middle St.

The block party, to be held beside the post home, will begin Monday evening at 7:30 o'clock with a parade leaving the post home and marching to the court house, north on Baltimore St. to Lincoln Square, then on York St. to Fourth St. and south on Fourth St. to the post home.

Units participating in the parade will include the Gettysburg High School band, the Blue and Gray band and the Killie band of York. Marching units will include the Carlisle, Shippensburg, Harney and Gettysburg Veterans of Foreign Wars firing squads.

Special Features

John E. Kerrigan announced at the Home Association session the block party will begin each evening at 6:30 o'clock and that Jack Weston, cowboy rope artist, will perform nightly. Special entertainment will include the parade Monday night, a horseshoe pitching demonstration Tuesday night, the Winston and Manning dance duo Wednesday night, a concert by the Blue and Gray band Thursday night, an amateur show by Winston and Manning Friday night and the "The Playmates" Saturday night.

Final arrangements were also made for the annual poppy sale to be held starting Friday night, May 23. Children secured by the auxiliary to sell poppies will meet at the VFW home at 7 o'clock on the evening of Friday, May 23, for a "kick-off party" preparatory to the poppy sale.

Past Commander Patrick D. McDermitt, who presided in the absence of Commander John Murray, read a letter from State Senator Douglas Elliott in response to a letter sent the senator by the post concerning a \$200,000 cut in veterans' benefits by the state.

Have 535 Members

Elliott wrote that while the legislature had cut \$200,000 from the proposed budget, the amount allocated was \$136,000 higher than the amount granted in the prior biennium.

Quartermaster Wayne Asper reported 535 paid-up members with 41 more needed to "reach our goal." Francis Wisotzky, 21st District commander and adjutant of the local post, reported all arrangements have been made for attendance by

Credit Bureau To Conduct Elections

Final plans were completed Wednesday evening at a meeting of the board of directors of the Credit Bureau of Adams County in the bureau office, Plaza building, for the annual election of board members and officers of the bureau.

Ballots are to be mailed to members in districts where terms expire this year, it was decided. The ballots are to be returned in time to be counted at the June meeting of the board. When the board members are determined, a meeting of the board will be held to elect officers.

A new service known as the Medical Credits Division currently being put into effect by all member bureaus of the Associated Credit Bureaus of America was discussed. The board decided to postpone the annual dinner meeting, usually held in June, until a later date. New members announced were Kuhn's Amoco Service, Adams Agstone and the Cumberland County National Bank and Trust Co.

CRIPPLED GIRL GOING TO CAMP FOR 2 MONTHS

Eleven-year-old Margaret Miller of Conewago Twp., who has spent much of her young life in the Elizabethtown Children's Hospital, will get two months of summer camping in the mountains of Somerset County, following action of the board of directors of the Adams County Crippled Children's Society. The board held its May meeting Wednesday afternoon and confirmed an earlier decision to send two county youngsters to summer camps operated by the state Society for Crippled Children and Adults. The county has been assigned a quota of two for Camp Easter Seal, near Somerset.

The girls chosen for the camp experience was born with a crippling condition in her legs. She underwent unsuccessful bone-grafting operations and then submitted to an amputation of the lower part of one leg. The second youngster from the county has not been chosen for Camp Easter Seal.

\$3,066 From Seals

Easter Seal Chairman Robert J. McMullin reported total receipts of \$3,066, slightly above the 1957 total. Dr. Clarence Bartholomew, president of the society, presided at the meeting and made presentation of a "brace for an ace" pin, awarded by the state society, to Hugh C. McIlhenny, a member of the board of directors of the county society for a number of years. The presentation is the second to be made

Miss McDannell Wins \$100 Prentiss Prize

Miss Anna C. McDannell, Wilson College (Chambersburg) senior and daughter of Mr. and Mrs. David W. McDannell, Gettysburg, R. 4, has won the \$100 Prentiss prize at the college for her essay on "Safeguarding American Liberty."

The prize is offered each year by H. W. Prentiss Jr., of Lancaster, chairman of the board of the Armstrong Cork Company and former president of the Wilson College board of trustees. Initiated by Mr. Prentiss in 1940 as a means of emphasizing fundamental democratic principles, the contest this year focused attention on any current topic affecting American liberty.

The Rev. Edw. Korte, chaplain at Gettysburg College, will be the guest teacher for the Men's Bible Class at St. James Lutheran Church Sunday morning at 9:30 o'clock.

President Heads Throng At Hero's Welcome For Nixon

WASHINGTON (AP)—Vice President Richard Nixon returned to Washington at 11:57 a.m. (EDT) today from his riot-marred South American tour and was greeted by a roaring welcome from thousands of well-wishers.

President Eisenhower led a welcoming group that numbered thousands of diplomats, congressional leaders, politicians, college students, and just plain citizens. Nixon's aircraft was flying a small American flag and the vice president's flag beside the pilot's and co-pilot's windows.

Like Hero's Welcome

As it rolled up beside the reception area the door of the plane was opened and the notables on hand, headed by Eisenhower, moved forward to the foot of the stairway to greet the returning vice president.

Pat Nixon, the vice president's wife, was first through the door with Nixon a step behind. The crowd yelled and waved.

It was the kind of greeting a returning hero would receive. Eisenhower had in effect given something of that touch to Nixon's

BRUCE WILL AID LENTZ ON CHEST DRIVE

Richard E. Bruce, manager of the Inductive Equipment Corp. here, has been named co-chairman of the annual finance drive of Gettysburg Community Chest, Chest President Gordon Webster announced today.

Bruce will assist William Lentz, who served as co-chairman of last year's drive when Webster was chairman. Normal procedure in the Community Chest is for officials to advance yearly from co-chairman to chairman to president of the Chest.

A native of Indianapolis, Bruce spent his early life in Wabash, Indiana. After his graduation from Indiana Tech, he secured a position with the Essex Wire Corporation in 1948 at North Manchester, Ind. He then was named to manage the Essex Wire plant at Mendon, Michigan, and in 1953 became manager of the Essex Wire Company's Inductive Equipment plant here.

Many Community Jobs

Last year he served as chairman of the classified gifts division of Community Chest and the prior year was a publicity committee member. He also served as Cubmaster for Cub Pack 73, and is leadership training chairman for the Black Walnut Boy Scout District Committee.

He has served as extension chairman for the Junior Chamber of Commerce locally, on the Youth Activities, Teen-age Rodeo and numerous other committees of that group. He is also an active member of Rotary.

A member of the Presbyterian Church here, he is also a trustee of the church.

61 BIGLERVILLE HIGH STUDENTS DINNER GUESTS

Sixty-one Biglerville High School students will be guests this evening at the ninth annual dinner honoring the Varsity Club and the "B" Club of the high school to be held by the Upper Adams County Lions Club at 7 o'clock in the Biglerville Elementary School cafeteria. Thirty faculty members and 60 Lions will also attend.

The arrangements for the dinner were made by the boys' and girls' work committee of the Upper Adams Lions headed by M. Francis Coulson, assistant county superintendent of schools, and Donald B. Hudson, Donald B. Shetter and Clair F. Shillito.

The dinner is held annually for the students who won letters for athletic participation, scholarship, music, drama and cheerleading.

61 Get Letters

The letters are awarded on a point basis on activities in all fields, but the letters are given in the field in which the student secured the largest number of points. Each letter contains a small symbol designating the field in which the award was given.

Included among the letter winners to be honored are 32 seniors, 20 juniors, seven sophomores and two

Russia Announces Launching Of Its Third Sputnik, 11.9 Foot Cone; More Than A Ton

By HAROLD MILKS

MOSCOW (AP)—THE Soviet Union today launched its third and largest Sputnik, an 11.9-foot cone weighing nearly a ton and a half.

A special announcement by Tass, official Soviet news agency, said the new earth satellite, fired in connection with the Soviet International Geophysical Year program, was jammed with apparatus and instruments for probing the secrets of outer space.

The announcement gave no indication that the latest satellite carried a living passenger, a companion to the dog Laika, which went up and died with Sputnik II.

Instead it listed the numerous items of equipment with which it said the new Sputnik would report on the upper layers of the earth's atmosphere as "a contribution of Soviet scientists to world science."

Orbiting Normally

The announcement gave no indication of the launching power of the new Sputnik nor the location of its launching site.

It reported the Sputnik was orbiting normally at the rate of one

POSSIBILITY OF STATE FUNDS IN HOME CHANGES

In a two-hour session at the county home Wednesday afternoon, the Adams County Commissioners and their Advisory Committee continued their studies of what to do about the county home. Representatives of the architectural firm of Starr and Long, Harrisburg, displayed drawings of proposed new buildings to replace the present county home.

A representative of the state Department of Welfare, meeting with the group, made a number of suggestions and told the Advisory Committee and commissioners to "study these changes most carefully, seeking as far as possible to meet the needs of 15 and 20 or more years from now."

The discussion also indicated there may be a possibility of some state reimbursement toward the cost of the new construction.

Action By Fall

Discussion indicated the various groups into which the Advisory Committee has been divided may be able to present some recommendations "within a few weeks" after careful study of both the plans for the new home and plans for possible disposition of the county home farm land.

Commissioners, following the meeting, said "there are so many angles developing that it will take more time than we anticipated to explore all of the possibilities, but it looks like the county may be able to get more for its money than it anticipated."

The commissioners said, "There is no way to tell for sure, but by fall we should have enough information to be able to go ahead with the county home project."

Miss Sherman To Teach In Hanover

Miss JoAnn Sherman, daughter of Mr. and Mrs. Mares Sherman, 123 E. Broadway, was elected to the secondary faculty at a meeting of the Hanover School Board Wednesday evening. She will receive \$3,400 a year salary. Miss Sherman graduated from Gettysburg High School in 1954 and will graduate in June from Gettysburg College.

Rachel Carl, Friedens, Pa., who will also be graduated from the college this year, was elected to the music department at a salary of \$3,400.

Man Loses His Home For Failing To Pay \$22 Tax

HARRISBURG, Pa. (AP)—William H. Hornung rested in his hospital bed today pondering the bewildering events that have plagued his household since a stranger knocked on the door Tuesday.

Mrs. Hornung answered. The man standing there gave her the shocking news that the cherry six-room frame bungalow in suburban Pleasant Hill that Hornung had built himself belonged to the stranger, for \$22.53 in unpaid taxes.

On Wednesday night Hornung, a 28-year-old steel company rigger, was wheeled into an operating room for an emergency appendectomy, still incredulous at the threatened loss of his property.

But the Dauphin County treasurer's office confirmed the stranger's statement.

As Mrs. Hornung tells it:

Asks Enrollments For Scout Camporee

One hundred and forty Scouts and Explorers have been registered so far for the Black Walnut Boy Scout District Camporee to be held May 23, 24 and 25 at Bendersville.

Donald Carver, camporee director, asked all units which have not forwarded the number of youths from their groups who will attend to do so immediately so allocation of camp sites may be made.

Carver said he believes that between 250 and 300 youths will participate in the encampment which will feature instruction in safety.

ASSISTANCE LOAD IS UP IN COUNTY

The Public Assistance case load in Adams County is 33 above the same date last year and 150 more persons are receiving some type of assistance than were on the rolls on the same date in 1957, members of the Adams County Board of Public Assistance learned at their May meeting Wednesday evening.

Members of the board said the increase is due largely to "spots of unemployment in the county." There are currently 534 cases on the assistance rolls and they involve a total of 1,064 persons. Last year in May there were 531 cases and 834 persons getting some type of help.

To Get 10-Year Service Award

There are 200 cases of old age assistance involving 210 persons; 101 cases of blind pensions for 101 persons; 123 cases of aid to dependent children involving 569 persons; 68 cases of general assistance involving 157 persons and 42 cases of aid to dependent children involving 47 persons.

With Chairman Allen S. Stauffer presiding, the board recommended Miss Grace Myers for a 10-year service certificate as a member of the staff of the Adams County Board of Public Assistance. She is the sixth of the nine employees here to qualify for the 10-year service award.

The board members discussed the state welfare service merger to be effective soon by which six present services, state hospitals, mental institutions, services for children, services for the aging, services for the blind and public assistance will be brought together in a new Department of Public Welfare to be headed by Harry Shapiro.

Cyclist Breaks His Left Arm In Fall

Donald Tester, 14, R. 1, has been admitted as a patient to the Warner Hospital after suffering a compound fracture of the left forearm Wednesday evening in a fall from a bicycle.

Mrs. Harvey Hood, 36, Westminster, was admitted Wednesday after sustaining a compound fracture of the left upper leg when a car in which she was riding struck a tree. Edgar Pissell, 21, R. 2, an employee of Roy Goldsmith, received treatment for a laceration of the scalp sustained when struck in the head by a slate shingle Wednesday.

Lawrence Mannke, 26, R. 4, an employee at the Adams County Home, was treated Wednesday for a laceration of the left index finger. Wilford Myers, 37, New Oxford, an employee of the Alwine Brick Co., received treatment for a laceration of the right thumb.

Steven Jago, 4, son of Mr. and Mrs. Burnell Jago, R. 4, underwent medical attention for the removal of a large splinter from his right thigh on Wednesday.

CODE VIOLATOR

Joseph McKenrick, Guernsey, has been charged by Chambersburg police with passing in a no-passing zone.

TWO INJURED, \$1,650 DAMAGE IN CAR CRASH

Two persons were injured when their cars collided six miles west of Fairfield on the Sunshine Trail Wednesday afternoon at 12:15 o'clock.

State police said Martin T. Willhide, 46, Waynesboro R. 4, was removed to the Waynesboro Hospital in the ambulance suffering from six fractured ribs and abrasions of the right wrist and face.

Helen Tresler, 44, Waynesboro R. 4 was removed to the Waynesboro Hospital in the ambulance suffering from a whiplash injury of the neck, contusions of the chest and a sacroiliac strain.

Police said both cars involved in the crash were demolished. Damage to Willhide's 1949 Dodge sedan was estimated at \$150 and damage to the Tresler 1956 Plymouth sedan was estimated at \$1,500.

According to the officers, the Tresler car was headed east when it halted on the highway to permit west-bound autos to pass preparatory to making a left turn.

The Willhide car, also headed east, smashed into the rear of the halted Tresler vehicle.

CHAMBERLAIN CLEARED IN 3 DAMAGE SUITS

After four hours' deliberation an Adams County jury Wednesday afternoon at 3:30 o'clock handed down a verdict absolving Donald J. Chamberlain, Gettysburg, of any responsibility in connection with an auto accident in August, 1955, along the Hanover Rd.

Chamberlain, as driver of the car, and Miss Virginia M. Myers, owner of the vehicle, were sued by Joan, Jacob and Jean Honig of Pittsburgh for damages following the crash between the car driven by Chamberlain and a car driven by Jacob Honig. Honig's wife, Jean, and daughter, Joan, were injured when they were thrown from their car by the impact.

Took Two Days

The trial took nearly two full days. Testimony began Tuesday morning and ended late Tuesday afternoon. Following arguments by the attorneys and the charge of the court Wednesday morning the jury retired at 11:28 o'clock to begin its deliberations. It returned its verdict at 3:30 o'clock Wednesday afternoon.

Actually three verdicts were returned by the jury headed by Foreman Grant E. Appier of Littlestown. One verdict listed Joan Honig as plaintiff and Chamberlain as defendant, another listed Jean Honig as plaintiff and the third Jacob Honig as plaintiff. On the verdicts in the cases as brought by Joan and Jean Honig the jury simply returned "verdict in favor of the defendant." On the verdict in the case brought by Jacob Honig, the jury added "defendant not guilty."

Honig had claimed no cars were in sight when he attempted to make a left turn into a side road off the Hanover Rd. in order to turn about and return to Gettysburg. The accident occurred near midnight. He also claimed the crash occurred as his car was almost off the highway. State police and Chamberlain held the accident occurred near the center of the highway, and Chamberlain told of seeing the lights of Honig's approaching car and held Honig out sharply in front of him.

PLAN TO BUILD 56 UNIT MOTEL

Work on a 56-unit motel adjoining the Howard Johnson Restaurant, Steinwehr Ave., will begin in about two weeks, S. Blaine Miller, president of the Steinwehr Development Corporation, announced today.

Plans for the construction, which will include a swimming pool and an office-meeting room, have been given verbal approval by state officials, Miller said, and written approval is expected in about ten days. The local building permit will be sought at that time.

The motel will be built of steel and concrete, two stories high, under one roof, but with driveways between groups of units. It will be

NEW PTA TO BE ORGANIZED HERE

A meeting was held in the library of the Gettysburg High School Wednesday evening of parents and teachers of the Junior and Senior High School to make plans to form a Junior-Senior High School PTA. M. Hardy Nichols, first vice president of the Gettysburg PTA, presided in the absence of the president, Rev. Robert MacAskill.

A motion was passed to form a PTA and the existing committee was directed to complete the organization for the 1958-1959 school year.

Mrs. W. E. Jordan explained that committee had been appointed by the past president, Mrs. John Crow, to investigate the need for the formation of a separate PTA on the secondary level. She introduced the panel members: H. Edgar Riegle, superintendent of schools, who acted as moderator; Ben Jones, high school teacher; Richard Bruce and Mrs. Arthur Rice, parents, and Guile W. Lefever, high school principal.

Mrs. Rice spoke on "Does PTA serve a real need to the community and school?" She gave the objectives of PTA of which the basis is "the welfare of all children. These goals can be achieved by all persons but by being united in a PTA the program is given continuity and significance." She mentioned the gifts that have been given to the schools by the PTA.

Richard Bruce spoke on "How a High School PTA will benefit him as a parent of a student in high school." He cited "advantages such as the program can be arranged especially for Junior-Senior High School. Parents and teachers would know that the program was centered around the issues concerned with high school. A high school PTA would act as a common ground for parents and teachers to work out solutions for adolescent problems." He also stated that the students should be asked to participate in some of the programs.

Ben Jones told of his experiences as president of a high school PTA. Mr. Lefever spoke on the "Value of a PTA to the entire community." He said that he felt that "people who have no children or have no children in school are interested in the school program and the programs should be geared so that they will not only be concerned with school issues but also with the welfare of our youth in all phases of the community."

asked assistance of members of the department Saturday morning in placing concrete block for the structure.

A final report was presented by the ladies' night committee and the group, headed by Robert Neary, was discharged with thanks.

Get Underwriters' Report
Chief Staub said a report by the fire underwriters' committee, which recently checked the town, showed the fire department "right on the nose in pumping capacity, 2,000 gallons." He added that the standards set by the underwriters showed a need for additional 2½-inch hose and that the borough council property committee is studying the matter.

The firemen voted to hold meetings for the summer months, starting in June, at the former CCC camp on W. Confederate Ave. In response to a request for a donation, the department noted that under its bylaws the fire department may not make donations. The bylaw was passed some years ago in the belief that when persons donate to the fire department they wish their donations to go toward fire protection and that the firemen have no right to disburse it for other than fire department purposes. A committee comprising Thomas Cole, Frank Linn and Harold Hockensmith was appointed to "see what they can do" about raising funds toward the charity.

President Harold Culp appointed Donald Peters, L. Glenn Raffensperger, Rufus Reaver, Samuel Reaver, Robert Redding and G. Henry Roth as the refreshment committee for the June meeting.

delegates of the local post at the state VFW convention July 11 through 13 at Pittsburgh and also reported on Memorial Day plans as a VFW representative on the general May 30 committee. Another meeting of the Memorial Day group will be held Friday, May 23, at the GAR post rooms to make last minute arrangements, he said. Raymond Strohm, of the VFW post, was appointed to serve as the representative of the United Spanish War Veterans in the National Cemetery ritual Memorial Day because of the inability of the USWV members to serve.

Softball Team Ready
The post voted to sponsor a team in the summer bowling league to be formed and will sponsor a team in the winter league. A \$5.25 donation was made as the post's share of a project to help a local disabled veteran.

John Greiner reported the softball team sponsored by the post as uniformed, and "ready for the opening of the season." It was reported that the baseball team for 16 to 19 year olds sponsored by the post will begin practice Tuesday evening.

The post voted to permit those attending the conventions of the GAR-allied orders here starting June 8 to use the facilities of the post home.

Twenty-one members were accepted into social membership in the Home Association.

East Berlin Resolutions

The Zwingle church of the East Berlin church presented seven resolutions which were added to the synod committee report on Christian social action and all were adopted. They commended the U. S. for its positive work for peace and adopted a resolution which said: "While we are aware of the responsibilities of the government to provide an adequate defense for our country, nevertheless we urge the federal government to cease its continued emphasis on atomic and hydrogen bomb tests in the face of mounting evidence that such tests are contaminating the atmosphere and possibly bringing injury to countless generations yet unborn."

Another measure directed that the synod inform the federal government that the "Christian conscience can no longer be silent when the world is hungry and naked and our own surpluses are overflowing and spoiling." Other of the East Berlin resolutions, signed by the pastor, the Rev. Robert Reazah, and five members of his congregation, favored the administration's "trade not aid" plan, noted with regret the rise in anti-Semitism and urged guarantees by the federal government of the Bill of Rights.

Sputnik I, a sphere carrying only instruments, was announced by the Soviets as weighing 184 pounds and the dog-carrying, cone-shaped Sputnik II was reported to weigh about 1,120 pounds.

The orbit time and maximum height of Sputnik III is about the same as that reported for Sputnik II. Its radio is transmitting on 20,005 megacycles.

The new satellite's radio signal as rebroadcast by Moscow radio was a repetition of "dot dash dot dot" in a high musical tone.

The satellite carries solar batteries — which last for long periods because they draw their power from the sun — in addition to chemical batteries.

MARKET IS FIRMER

NEW YORK — The stock market recovered from a slight early retreat and showed a firmer tone with prices mixed early this afternoon. Trading was fairly active.

Wall Street took in stride the news of Russia's new Sputnik III. Some aircrafts improved gradually but the group as a whole was irregular.

popular expression at a news conference Wednesday—had obtained for Nixon about the kind of reception which some popular foreign king or president might get on coming here.

His trying adventures had been seized upon by two Republican members of the House to try to start a boom for his 1960 nomination by the GOP for the presidency.

After Vice President and Mrs. Nixon had shaken hands with Cabinet members, congressional leaders and diplomats, they stepped up on a microphone-equipped platform from which the President spoke his formal remarks of welcome.

TROOPS OF 3rd pgh 1st lead —

Troops On Duty
Troops of Companies A and D of the 3rd Infantry from Ft. Myer, Va., were drawn up as a security guard. There were about 150 of these in their cocky uniforms with blue neckerchiefs. This is the force always on hand for formal airport receptions.

Two bands were tooting away more than an hour before Nixon's plane was due from San Juan, Puerto Rico, last stop on the tour that began April 27 and took the vice president to eight Latin American countries.

A band from Northwestern High School of Hyattsville, Md., appeared in blue uniforms with white trim and a bevy of white clad, bare-legged drum major-ettes.

In red uniform from Suitland, Md., High School came another band complete with high stepping majorettes in short skirts.

A group of students carried a red, white and blue sign proclaiming they were from the University of Maryland and bearing the added legend: "Nix-on Reds."

There was an early rush by just plain citizens to secure vantage points to see the spectacle and give a cheer for the vice president and his wife.

HIGH EXPLORER
HONOR IS GIVEN
TO POST NO. 84

Stanley C. Rogers, Boy Scout field representative of the Black Walnut District, presented the National Standards award of the Boy Scouts of America to Explorer Post No. 84 of Littlestown on the Memorial Field Wednesday evening at the award and charter presentation night, stating that this is the first time in the history of the Black Walnut District that a post has been so honored, and the first time he has made such a presentation.

The award entitles all members of the post to wear a special national badge. There are three awards which can be received at charter time, on local, district and national scale, and this is the first time that the highest national unit award has come to Littlestown. Mr. Rogers read a list of accomplishments which are necessary in order to earn this award.

All three of the Littlestown Scout group received national recognition ribbon and plaque awards for having achieved 75 per cent or more of the requirements set and the awards were accepted by Cubmaster Stewart N. Long for the pack; Scoutmaster Edgar A. Wolfe for the troop, and post advisor David S. Kammerer Jr. for the post.

Charters Presented
District Commissioner Sebastian Hafer presented the charters to the institutional representatives present from the three organizations, noting that the only way a charter may be awarded is if the institutions have met national requirements. He said Littlestown's groups are "far in excess of the minimum requirements."

The Cub Pack is sponsored by Ocker-Snyder Post No. 321, American Legion, and Ralph R. Ruggles Jr. accepted the charter listing the names of 54 Cub Scouts. The Boy Scout Troop is sponsored jointly by the Lions and Rotary Clubs and Luther D. Snyder accepted the charter which lists 51 Boy Scouts. The Explorer Post is sponsored by a group of interested citizens and Walter Rentzel accepted the charter, listing 28 Explorers. Institutional Representative Rentzel also announced the Explorer program as planned for June, July and August.

This includes a weekend camping trip to the Susquehanna River; a co-ed splash party at Natural Dam; a nine-day canoe trip to the Thousand Islands; traffic service at the Littlestown and Kingsdale firemen's carnivals; softball game at Hoffman Orphanage; repair of tennis courts and canoes. Summer plans for the Boy Scouts include the annual week of camping at Natural Dam; attendance at the Camporee, the weekly canoe trips and several hikes. Cub Scouts will have an award ceremony on May 25; swimming instructions; summer family picnic and probably attendance at a big league baseball game.

Cards Presented
Membership cards were presented to the leaders and committee members of the organizations. The pack leaders are Stewart N. Long, Beaven F. Hanlon, Mrs. Donald C. Feaser, Mrs. Luther G. Myers, Mrs. Maurice E. Bream, Mrs. Lewis H. Fox, Mrs. Richard Hartlaub, Mrs. Kenneth Hartsock, Mrs. Joseph H. Redding, Mrs. Edward H. Leister, Mrs. Beaven F. Hanlon, Mrs. E. Paul Bigelow, Mrs. Francis Prato, Mrs. Richard W. Staley and Mrs. Jack H. Crouse. Troop leaders and committee members are Edgar A. Wolfe, Paul E. Renner, James P. Hahn, Robert R. Rudisill Sr., Paul L. Hollinger, Erwin A. Rebert, Cloy I. Crouse, Wilbur A. Bankert, Albert J. Blair, Paul R. Snyder, Warren C. Harner and Luther D. Snyder and Post leaders David S. Kammerer Jr., Lee Krout, Wilson Stair, Paul L. Hollinger, Robert J. Eckenrode, Kenneth K. Kroh and Walter Rentzel. Membership cards were also presented to the 135 Cubs, Scouts and Explorers.

The program began at 7:30 p.m., with members of the three organizations marching on Memorial Field, to take their places on bleachers. Flag bearers for the pack were Steve Nester and Larry Conover; for the troop, Richard Hornberger and Philip Close, and for the post, James Mummert and Wayne Miller. Ex-

"THE AMERICAN WAY"

What are the treasured things that help... a nation conquer strife... read on and I will tell you of... the American way of life... it deals with faith and brotherhood... with friendliness and trust... for if a country is to live... these factors are a must... respect for every race and creed... fosters unbridled strength... when people have a common cause... their valor has no length... freedom in all its glory... without which all is lost... when people live in freedom... they'll die to pay the cost... the right to work at what they choose... to speak and write and pray... thank God for letting me be part... of the American way.

plorer Robert Hahn lead the pledge of allegiance and Paul L. Hollinger of the troop committee officially welcomed the crowd. Charles E. Ritter, district vice chairman, was master of ceremonies for this first joint Charter Night.

Reports For Den, Troop
Mr. Ritter presented Cubmaster Long who listed the accomplishments and activities of the pack for the year, noting that there are seven dens in the pack, headed by 13 den mothers, and special tribute was paid to their efforts. Paul E. Renner, assistant Scoutmaster, gave an achievement report for the troop, whose efforts included 15 overnight camps; 103 hiking miles; 85 canoe miles; 690 hours or four full weeks and two days of activity; resulting in the first Gold Award for the troop; two Eagle Scouts; one Scout Life Guard; two Star Scouts; two Life Scouts; 14 second class Scouts and three first class, with 49 merit badges awarded. Assistant Post Advisor Lee Krout reported on the post activities in all three phases of their Scouting program.

The customary candle-lighting ceremony for investing of a Scout was omitted due to the wind and Scoutmaster Wolfe invested Paul H. Bowman and presented him with his tenderfoot pin, minus this ceremony. He also announced that three boys, Edward B. Geiman, Charles Crouse and Walter Williams, are working on their tenderfoot requirements. Merit badges were awarded by Scoutmaster Wolfe to Donald Arbogast for marksmanship, fishing and music; to Ronald Brown for cooking; to Carl Ritter for coin collecting; to Charles Hahn and Thomas Shildt for firemanship.

Star Scout awards were presented to Donald Arbogast and Richard Hornberger with Donald's mother and Richard's father making the presentation. Three Scouts were transferred to the post, Ronald Gladhill, Lester Barnes and Billy Blocher, and were accepted by the post advisor.

Give Trail Awards
Luther D. Snyder entertained with an account of some of the more humorous experiences during the recent Appalachian Trail hike after which he presented Appalachian Trail awards to Wayne Miller, Donald Arbogast, Ronald Gladhill and Ronald Smith. The award is a replica of the signs along the trail and to earn it, a Scout must hike the more than hundred miles from the Susquehanna to the Potomac. The entire trail covers over two thousand miles from Maine to Florida and the midway marker is near Camp Tuckahoe, near Dillsburg, Mr. Snyder stated.

Post advisor David S. Kammerer presented Explorer James Mummert with a Star Scout rating. Chairman Ritter announced that Rex Maddox will be the Black Walnut district representative for Littlestown for the next term. The evening's program concluded with Taps sung by all the Scouts and leaders, with Lee Krout directing. Taps were played by buglers Robert Hahn, Paul Bowman and Donald Arbogast, stationed at three points on the field.

YOUTH COUNCIL MEETING

The monthly meeting of the Fifth District Youth Council will be held Monday evening at 7 o'clock at the Idaville EUB Church and will be in the form of a surprise ride. "Sy" Bucher will be the speaker.

Activities Planned
By Troop 124 Boys

Plans for a candy sale, attendance at the district camporee and other activities were outlined Tuesday evening at a meeting of the committee of Explorer Post 124, Hunterstown, at the Hunterstown Gun Club.

Preparations were made for attendance by the group at the Scout Camporee at Bendersville May 23, 24 and 25; plans were made for a paper drive at 6:30 o'clock Tuesday evening. Wayne Dellinger, Ray Shupe and James Waite were named as a board of review for two Explorers who are seeking the first class badge. It was announced that a shipment of candy has been received with the Explorers to sell the candy to raise funds for the unit.

A new electric temperature clock has been erected in front of the Gettysburg National Bank. The clock is unique in that it tells the time in minutes and then flashes the degree of temperature prevailing at that moment. The clock is lighted at night. (Times photo)

FILE \$19,000
DAMAGE SUIT

A car-truck collision on Feb. 25 at the intersection of Routes 11 and 16 in Greencastle, which brought death to J. Hoke Stouffer, 65, of Greencastle, is the basis of a \$19,000 damage suit entered in the Franklin County courts.

The suit has been filed by Attorney George C. Eppinger on behalf of Glenn H. Stouffer, R. 6, and John B. Stouffer, R. 2, executors of the estate of the victim of the accident. The action was filed by the two men, according to the caption in the suit, in their fiduciary capacity and as personal representative of the decedent and for the benefit of those entitled by law to recover for his wrongful death.

Named defendant in the suit is James F. Bartley, Martinsburg, W. Va. R. 2, who is now serving a sentence of 1½ to 3 years in the Allegheny County Workhouse on a charge of involuntary manslaughter growing out of the accident and Mr. Stouffer's death.

The bill of complaint in the suit avers that negligence on the part of Bartley was responsible for the Greencastle crash. Traveling south on Route 11, the complaint charges, Bartley operated his car at an excessive rate of speed and that it "went through" a red traffic light at the intersection, collided with the Stouffer truck, traveling east on Route 16.

The complaint asks \$4,000 damages for Mr. Stouffer's estate as compensation for his pain and suffering and \$15,000 damages for death.

Named as those entitled to collect for his death are Mr. Stouffer's widow, C. Elizabeth Stouffer, Greencastle, and these sons and daughters: Mary Belle Rife, Chambersburg R. 3; Glenn H. Stouffer, Chambersburg R. 6; John B. Stouffer, Mercersburg R. 2; Bertha E. Feather, Gettysburg; Thomas G. Stouffer, Chambersburg; Henry F. Stouffer, Gettysburg R. 2, and Nellie Jean Stouffer, at home.

Transport Plane
Crashes; 5 Killed

TAFT, Calif. (AP)—A four-engine Navy transport plane crashed in clear weather Wednesday night, killing its crew of five.

The RTV Super Constellation smashed into a hill and exploded. The Navy withheld announcement of identification of casualties pending notification of families.

The plane was being ferried from Ontario, Calif., International Airport to Moffett Field near San Francisco.

Freshmen who are Varsity club members, both having won football letters, are Kenneth Fetters and Dennis Little.

The Varsity Club advisor is Bernard Thrush.

M. Francis Coulson will serve as toastmaster. The program will open with the singing of "America" followed by the pledge to the flag and invocation by A. L. Lehnart. Charles L. Yost, principal of the Biglerville High School, will speak on student activities in the school.

Donald B. Hudson, supervising principal of the Upper Adams Joint School system, will introduce the high school faculty members. Faculty Advisor Thrush will introduce the Varsity Club members and Faculty Advisor Coradetti will introduce the "B" Club members.

Lions To Elect

Kenneth E. Lawver will lead group singing with G. David Bushman as accompanist.

Principal speaker will be Bertrand Shurtleff, Adamsville R. 1, an English teacher and football coach in New York, Maine and Rhode Island for the last 21 years, a former football player with Brown University and the New York Giants, Providence and Boston professional football teams, and a former New England intercollegiate wrestling champion and a professional wrestler for a number of years. He will speak on "Wrestling Revelations."

The meeting will close with a business session with President Ralph L. Eckenrode presiding at which new officers for the Upper Adams Lions will be elected.

30 COUNTIES TO
SHARE MILLION
FOR CHILDREN

Adams County is not included in the list of 30 issued from Harrisburg Wednesday and Crosby N. Hartzell, clerk to the Adams County commissioners, said today that the Adams County signed agreement was mailed Wednesday to Harrisburg. He said he expected Adams County's share of the \$1,000,000 will be between \$8,000 and \$9,000.

HARRISBURG (AP)—Thirty Pennsylvania counties will share one million dollars appropriated by the state for the care of dependent, neglected and delinquent children.

Welfare Secretary Harry Shapiro announced the division of the money Tuesday, at the same time expressing the hope that the 1959 Legislature will see fit to appropriate more money for this purpose.

The current appropriation, for the 1957-59 biennium, is half the allocation for the 1955-57 fiscal period. Shapiro set four million dollars as the goal for the 1956-61 period.

Hope For More Funds

"It is to be hoped that the next Legislature will correct the damage done by the reduction of the appropriation for this important program which has proved to be of tremendous value throughout the state," said Shapiro.

"Preventive services have been increased, fewer children are being placed in foster homes and institutions, more families have been helped to work out their problems without disruption to family living."

Until the program started in 1955, he said, Pennsylvania had been the only major state which did not provide state funds in combination with federal money for local public child care services.

Shapiro pointed out that several counties may receive about the same allocation as they did previously and listed two other counties—Chester and Cameron—that will receive more because of increased local expenditures or more accurate reporting.

The 1957-59 allocations for counties (with 1955-57 figures in parentheses) include:

Armstrong \$6,377 (\$14,828); Cameron \$2,500 (\$2,288); Carbon \$30,433 (\$18,665); Chester \$34,187 (\$32,872); Clarion \$2,500 (\$2,960); Clinton \$16,027 (\$29,107); Cumberland \$14,656 (\$28,857); Elk \$5,992 (\$9,721); Erie \$7,328 (\$108,282); Franklin \$15,359 (\$30,436); Lackawanna \$64,504 (\$75,650); Lancaster \$27,682 (\$44,399); Lebanon \$16,955 (\$18,599); Lehigh \$58,852 (\$64,514); Luzerne \$100,000 (\$113,651); Mercer \$15,275 (\$19,033); Monroe \$7,361 (\$9,456); Northampton \$17,235 (\$37,671); Northumberland \$13,157 (\$17,480); Potter \$5,433 (\$5,859); Schuylkill \$44,768 (\$68,260); Warren \$7,819 (\$13,899); Westmoreland \$2,331 (\$17,678); York \$55,850 (\$92,765).

located near Johns St., extending from Culp St. to King St.

The architecture will follow the style of the restaurant.

The Charles W. Culp Jr. home on Steinwehr Ave. will be removed for an entrance driveway.

A "Gate Lodge" will contain an office and a 30-person capacity meeting room. West and south of that building will be a small motel unit which will face the proposed swimming pool. The pool will be for use of motel patrons only. Further west will be the main motel extending from Culp to King Sts.

Grading for the large motel unit began Wednesday.

Miller said it is expected that construction will be completed by September and that the motel will be opened next fall.

To Start Laying Blacktop On
3d Lane Of Highway: Application of the finishing course of blacktop on the middle lane of the five-mile stretch of the Lincoln Highway east of here will be started at the east end of the new highway next week with completion of the highway set for June 24.

Work on the new modern roadway has run ahead of schedule since construction was started last November. The pouring of concrete was completed on Wednesday of this week on the two 10-foot outside lanes. The big modern dual drum mixer started work on the north lane April 13.

Today the first course of base stone for the middle lane had been placed along about one-half of the entire length of the new section of roadway and the second course had been applied on more than a mile of that distance.

New C. E. Union Officers
Named, Leaders Chosen: Raymond Menzies and Miss Martha Purney, both of Gettysburg, were re-elected president and treasurer respectively of the Adams County Christian Endeavor union while new officers were named to other positions and superintendents were appointed at the May meeting of the union's executive committee Friday evening at the Y.W.C.A. building.

Newly elected officers for the 1958-59 year: First vice president, Miss Christine Reaver, Gettysburg; second vice president, Chester Byers, Littlestown; corresponding secretary, Vivian Brumgard, Littlestown; recording secretary, Robert Carey, Arendtsville, and pastor counselors, the Revs. Frederick Lusan, of A.M.E. Zion church of Gettysburg; Lester M. Utz, York Springs, and A. G. Longanecker, Littlestown.

29 Catholic Children To Receive
First Communion: Twenty-nine children, comprising 16 girls and 13 boys, will receive their first Holy Communion at the children's mass Sunday morning at 9 o'clock in St. Francis Xavier church.

Candle bearers to lead the girls to the altar will be Doris Sanders, Barbara Ann Little, Angela Small and Jane Stap, while the boys who will carry the lighted candles will be Mark Steinhour, Richard Slade, Robert Sanders and Douglas Knox.

In the evening the annual May celebration will take place on the church with Mary Louise Cole, daughter of Mr. and Mrs. Charles Cole, selected to place the crown on the statue of the Virgin. She will have as her attendants Jean Smith, daughter of Mr. and Mrs. Joseph Smith, and Jane Sanders, daughter of Mr. and Mrs. Charles Sanders.

Finish Shaft To Hold Peace
Light: Work On Campus Rushed: With the opening day of the celebration of the 75th anniversary of the battle of Gettysburg and the final reunion of the Blue and Gray less than two months distant, preparations for the most important historic event in Gettysburg in the last 25 years are rapidly being completed.

The last piece of rockwood stone, weighing 4,800 pounds, was placed Thursday on top of the shaft of the Eternal Light Peace Memorial on Oak Ridge and the 2,000-pound bronze urn, in which the eternal light will glow, will be placed early next week.

Arendtsville's Third May Day
Pageant Staged: Several hundred persons turned out Tuesday afternoon at baseball ground at Arendtsville, to witness the third annual May Day pageant given by the pupils of the Arendtsville schools.

The procession to the throne was led by Betty Jane Fissel and Betty Hartzell, flower girls, Miss Ruby Kane, daughter of Mr. and Mrs. Carl W. Kane, was the queen for the exercises, chosen by vote of the Arendtsville students.

Miss Kane selected Martha Raffensperger, her classmate and associate for six years on successful basketball teams, as her maid of honor.

Attending the queen were the following: Louise McDannell and

Today's Talk

HATS OR NO HATS
It amuses me how hat makers try so hard to introduce to men a new kind of hat. They slyly tuck in a tiny feather or a colorful hat band. Men like a careless sort of hat — if hat they feel they must have! I see as many bald heads as ever, so I can't see that hats have anything to do with baldness. It just comes, that's all, hat or no hat.

Modern men wear very conservative hats. It's the highly distinguished who wear top hats. So do the "cabbies" of yesterday. The only ones now to be seen are those at the parkway opposite the Plaza Hotel, right off Fifth Avenue, in New York City.

I recently modestly invested in a soft, fuzzy black hat that has brought several interesting suggestions my way, the most interesting — to try and give it to some deserving person! You just can't be original and happy at the same time. Someone is always around to tell us how we ought to dress and live. However, it's our world, and our life, and we must make the best of it.

Those great Texas hats have always intrigued me. I wonder what kind of a world it is going to be with that distinguished citizen of Texas gone — Amos Carter, who did so much to distinguish the Texas hat, and advertise far and wide the glories of the "Lone Star State." All in all, however, men do not get easily worried about such a thing as a hat, though it is missed if it mysteriously leaves one of us.

The longer we stay by our hat the more it increases in upkeep. A five-dollar hat easily creeps up to a twenty-dollar hat after it has visited a score or more eating places where beautiful check girls are parked! What better companion, however, than your hat?

Tomorrow Mr. Adams will talk on the subject: "Pickles and Sugar"

Just Folks

POINTLESS
If fretting did a bit of good
I'd surely be a fretter
And fret as bravely as I could
If that would make things better.

If pouting over little woes
Would make my courage stouter,
And ease the sting of bitter blows,
I'd be a splendid pouter.

If whining when the clouds are gray
Would start the sun to shining,
There'd never be a rainy day
But what I'd start in whining.

But I've not seen a fretter yet.
And don't expect to see one,
That isn't in old trouble's debt.
It doesn't pay to be one.

CO-ED CLASHES WITH '56 QUEEN IN DALLAS OPEN

DALLAS (AP)—Champions meet today in the top match of the Women's Southern golf tournament quarter-finals as Clifford Ann Creed, the college co-ed seeking her second straight title, clashes with Mary Ann Downey of Baltimore, the 1956 queen.

Of almost equal star billing will be the battle of Polly Riley of Fort Worth, five times champion of the tournament, and Frances Rich of Bainbridge, Ga., once Texas state title.

In other quarter-final matches Mrs. Maurice Glick, the Maryland state champion from Baltimore, plays Janice Phelps of Atlanta and Sherry Wheeler, 17-year-old high school girl of Glasgow, Ky., who produced the first big upset of the tournament, took Mrs. Mary Ann Reynolds of Albany, Ga., the Georgia state champion.

Miss Wheeler Wins
Miss Wheeler Wednesday knocked down Marge Burns of Greensboro, N. C., the 1957 runner-up who was r-ted with the top four here, 5 and 4.

Miss Creed, of Opelousas, La., and a student at Lamar Tech, whipped Mrs. W. K. Stripling of Fort Worth, 5 and 4.

Miss Riley had to struggle for a 2 and 1 triumph over Mrs. H. C. Riedel of Dallas. Miss Downey shot even par in taking out Mrs. J. H. Henderson of Alexandria, La., 5 and 4. Miss Rich downed Mary McCutcheon of Jasper, Ala., 5 and 4 while Mrs. Glick eased by Mrs. Robert Monsted of New Orleans, 2-up.

Miss Phelps defeated Mrs. Ernest Blanton of Enid, Okla., 3 and 2, while Mrs. Reynolds crushed Mrs. Grant Messenger of Dallas, 7 and 6.

WANTS JUDGE DISQUALIFIED

PHILADELPHIA (AP)—Rep. William J. Green (D-Pa.) has filed a petition with the Third Circuit Court of Appeals asking for an order disqualifying Judge John W. Murphy from presiding at Green's July 15 trial on fraud charges.

Last Friday, in Scranton, Judge Murphy of the U.S. District Court, denied such a request from Green. He dismissed an affidavit of prejudice which claimed the jurist would lean over backwards because of long friendship with the Philadelphia congressman.

Green's original petition cited the fact that the congressman and Murphy were of the same religion (Roman Catholic), the same national descent (Irish) and the same political persuasion. Green, along with six others is charged with conspiring to defraud the government in connection with construction of the Army Signal Corps depot at Tobyhanna.

Green's appeal, filed late Wednesday, set forth practically the same reasons contained in the original affidavit, but included the opinion of Judge Murphy in denying the request.

THREE SCHOOLS TO DROP FROM SP CONFERENCE

Three members of the South Penn Scholastic Conference, Mechanicsburg, Hershey and Middletown, have officially notified Richard Brubaker, Hanover, league president, they are withdrawing from the conference to become members of a new league just formed.

Other members of the new league include Hummelstown, Palmyra, Susquehanna and Cumberland Valley.

In notifying Brubaker of their action, all asked to be relieved of football obligations in 1960 and from their basketball assignments starting with the 1959-60 season.

A special meeting of the South Penn Conference is expected to be called to discuss the situation.

Rumors have it the South Penn will undoubtedly add new schools from the York-Adams-Franklin County areas were many jointures are in formation.

Trap Works But So Does Burglar

HILLSBORO, Ore. (AP) — After several thefts at his garage, R. I. Williams decided to give police a hand.

On a ledge over a window through which burglars had entered, Williams put a gallon jug filled with green dye.

Over the window he put a metal sign. He tied one end of a wire to the trigger of a shotgun pointed at the jug.

Early Wednesday a burglar knocked aside the sign. Williams' device worked swell. The gun went off, the shot broke the jug and down came the dye.

The burglar was persistent. He roamed through the garage, took three cartons of cigarettes and walked away, leaving a string of green footprints.

PROVIDENCE, R.I. — A team of Brown University psychologists reports that reading smutty books does not make the reader more likely to commit sex crimes. Dr. Nassim Levy, Lewis R. Lipsitt and Judy F. Rosenblith said blaming lewd literature is a form of "scapegoatism".

SPARTANBURG, S.C. (AP)—Mrs. Betty Baker made it by car to Spartanburg General Hospital with just a few minutes to spare before giving birth to a five-pound, eight-ounce son. Her chauffeur, now a father for the second time, was Buck Baker — national stock car racing champion.

FORT LAUDERDALE, Fla. (AP)—Big Ed Walsh, the old Chicago White Sox pitcher, made what may be his last public appearance here Wednesday night at a testimonial dinner marking his 77th birthday.

The old spitballer, ill with cancer and confined to a wheel chair, was honored by more than 200 baseball personalities and fans as the climax of "Ed Walsh Day" in Fort Lauderdale.

MEMPHIS (AP) — With hometown boy Gary Middlecoff the general favorite, many of the nation's top pro golfers tee-up today for the opening round of the \$20,000 Memphis Invitational.

The 91 pros in the 72-hole medal play tourney included seven of the year's top money players — Arnold Palmer, Ken Venturi, Doug Ford, Frank Stranahan, Jay Hebert, Fred Hawkins and Art Wall Jr.

WIESBADEN, Germany (AP) — Europeans are acclaiming an 18-year-old Brazilian girl as the heir apparent to Althea Gibson's tennis throne.

The phenom is Maria Ester Bueno, a slender five-foot-six miss who hits the ball with the power of a man. Recently she won the Rome International title by beating Shirley Bloomer, England's best player, and Lorraine Coghlan, Australia's No. 1 woman, in succession.

G-BURG NETMEN TOP LYCOMING FOR 3RD IN ROW

The Gettysburg College tennis team (5-3) won its third straight victory by blanking Lycoming at Williamsport Wednesday afternoon 9-0.

It was the first time in at least seven years the Bulldogs won by a 9-0 score. The victory was the result of another fine all-around performance by Coach Dick Schubert's outfit.

Albright comes here for a match Saturday.

Warriors Scalp Bubblers 9-5 For Sixth Triumph; Invade Hanover For SP Game Today

A four-run outburst in the last of the sixth inning broke a 5-5 deadlock and enabled the Gettysburg High School baseball team to gain its sixth victory here Wednesday afternoon at the expense of Bolling Springs 9-5.

The Warriors picked up one run in the first inning on a walk to Bernard Lochbaum, sacrifice by Bill Shoemaker and single by Earl Little. Jason Guiden, Sophomore, starting his first mound game for the Warriors, tripled with two out in the second inning and rode home on Lochbaum's single.

Bubblers Take Lead
Bolling Springs scored all of its runs in the third inning. Brennenman walked, Farnor doubled, McAllister singled and Steimur doubled after which Coach Ben Jones yanked Guiden in favor of Don Goldsmith.

Kiehl and Ryan followed with singles and Baker got a double before Goldsmith retired the final two batsmen.

The Warriors bounced right back with three runs on a walk to Little, Hardy Nichols' single and a single by Tommy Crist, plus an error and Crist's steal of home.

Coldsmith encountered little trouble in stilling the Bubbler bats the last four frames during which he yielded but a single in the sixth.

Winning Rally
In the last of the sixth Coldsmith was saved when hit by a pitched ball. He scored on Lochbaum's double. Shoemaker and Little walked. Nichols lifted a sacrifice fly to right and Crist singled as the runners raced over.

Today the Warriors (6-4) go after their third straight at Hanover in a South Penn League game.

GONE FISHIN' HAS BACKING IN PREAKNESS

By JOHN CHANDLER
BALTIMORE —Well, sub, the Virginians have a colt in the Preakness, and a lot of citizens in the Old Dominion state will wager their greenbacks that he will handle the likes of Tim Tam—not to mention Silky Sullivan.

His name is Gone Fishin' who is listed as a roan, but looks grey when he walks on the track.

Only one grey won the Preakness until the great Native Dancer stood Baltimoreans on their ears and whipped Jamie K. by a neck in their terrific 1953 duel.

Tim Tam Favored
It seems as if 11 or 12 will be entered when the secretary's office opens Friday morning, but the cash outlay may deter a couple. It costs \$500 to pass the entry box, and another \$500 to start in the great Maryland gallop on Saturday.

Tim Tam, the Calumet Farm's Kentucky Derby winner, figures to start as the favorite at 7 to 5 or shorter. The Main Chance Farm's Jewel's Reward is going to get plenty of support. So will Lincoln Road, who zipped into a big lead in the Florida Derby and was only caught by Tim Tam in the final strides. Lincoln Road also led in the Derby, but Tim Tam zoomed home again in the final sixteenth by a half length.

Won The Prep
As for Gone Fishin', he clicked with an easy length and three-quarters victory Monday in the Preakness Prep at a mile and one sixteenth. The Virginian whipped the Christiana Stable's Staysail, who had finished third behind Jewel's Reward in the Pimlico Futurity last November. Staysail is supposed to start Saturday.

The Preakness field in recent years was usually around seven or eight. If a dozen make it Saturday in the race to be televised and broadcast nationally (CBS) from 4:30-5 p.m. EST, the pot will gross \$133,950.

CAN'T EXPLAIN HOW HARSHMAN HITS TOP SPOT

NEW YORK — Four months ago Baltimore Manager Paul Richards appealed to Baseball Commissioner Ford Frick, charging that the Chicago White Sox had handed him a lame-back pitcher when they traded Jack Harshman to the Orioles in December.

Today this same "crippled" hurler shares the distinction with New York's Bob Turley as the only American League pitchers with 5-0 win-loss records.

How come? Even Harshman can't answer that one.

No Explanation
"I wish I could give you a reasonable explanation," the 30-year-old southpaw said, "but I can't. I'm just as puzzled as anyone else. I guess I've just been lucky."

Lucky? In 36 innings, Harshman has permitted only 18 hits, allowed five runs for a spectacular 1.25 earned run average. He has struck out 22.

"Honestly," he said, "I'm not doing a thing differently from last year when I had my poorest season in four with Chicago (8-8). I haven't change' my delivery. I've added no new pitch, my control is not any better. I've walked 21 in 36 innings. That's a lot of walks. Besides, my back still hurts."

Harshman has a slipped disc.

ACCUSE CHIEF OF BURGLARY

CRESTVIEW, Fla. (AP)—The assistant police chief of Crestview and a woman companion are charged with burglarizing a store.

Formal charges of breaking and entering were filed against Asst. Chief John W. Dreading, 42, and Mrs. Kay Arne, 33, a divorcee with three children. They were held for the grand jury in bond of \$1,500 each.

The two were charged with breaking into the store Wednesday and hauling off food, clothes and other items valued at more than \$200.

Sheriff Ray Wilson said Dreading admitted the theft. He quoted Mrs. Arne as saying that Dreading, who is separated from his wife, was worried about providing for Mrs. Arne and her children.

All winter, during spring training and during the first few weeks of this season, he was forced to wear a corset. It's only in his last two starts that he's able to pitch without some sort of brace.

Harshman was slated to hook up with Whitey Ford in a southpaw duel today in the hopes of ending the Yankee dominance over Baltimore. The Yankees have won six of seven from Baltimore, the last three shutout victories.

Zora Folley, who fought a draw with Eddie Machen in San Francisco, beat Pete Rademacher in a Golden Gloves tournament.

CARDS TUMBLE GIANTS OUT OF TOP SPOT IN NL

By THE ASSOCIATED PRESS
Hey! Look at those St. Louis Cardinals! They've swapped a seven-game losing string for a seven-game winning streak, hustling out of the National League cellar to fifth place—the highest they've been since opening day.

They made it Wednesday night, junking San Francisco's winning spree at six games and tumbling the Giants out of first place 3-2 as Stan Musial belted back to 500 and Wilmer (Vinegar) Bend Mizell blanked Willie Mays with a four-hitter.

The Milwaukee Braves regained the NL lead, beating Philadelphia 4-1 as Warren Spahn became the first to win six in the majors. The persistent Pittsburgh Pirates jumped past the Giants into second, hanging up their second six-game streak of the year with a 5-4 decision over Cincinnati.

Dodgers Lose 6th
The Chicago Cubs, who had lost seven straight, beat Los Angeles 7-3. The Dodgers now have lost six in a row.

Musial, honored before the game by 18,361 fans and NL President Warren Giles for his 3,000th hit at Chicago Tuesday, made his 3,001st home run that tied it 1-1 in the first. The Man was 3-for-4.

Spahn, like Musial an old pro of 37, gave up five singles, walked three and fanned seven for his 230th victory in the majors. He also started two doubleplays and tripled home a run. Ed Crandall and Johnny Logan homered off Ray Semproch (3-3) in the second and third.

Vern Law (5-1) won his fifth straight as the Bucs moved within 9½ points of Milwaukee. Ex-Reddie Ted Kuszewski and Bob Skinner each had two doubles and a single, and figured in the first three runs as Charlie Rabe lost his second in relief of ex-Buc Bob Purkey. Ed Bailey hit his first homer, a two-run shot, for the Reds.

Jim Brosnan (3-3) beat the Dodgers with a five-hitter and had a one-hit shutout for five. Peeve Reese hit a two-run homer in the sixth for L.A., but Lee Walls, 3-for-3, triggered a four-run Cub seventh with his 11th homer, tops in the NL.

PIRATES GIVE BRAVES CHASE
PITTSBURGH — Led by the revitalized Ted Kuszewski, the rampaging Pittsburgh Pirates — once the doormats of the National League — are breathing down the necks of the world champion Milwaukee Braves.

Only 13 percentage points separate the Pirates and the first place Braves after Kuszewski contributed two timely hits Wednesday night in helping defeat Cincinnati 5-4. It was the Pirates' sixth straight victory and 15th in the last 19 games.

"The significant factor of our success has been our fine pitching," Manager Danny Mortch said, "but you got to give hitting a pat on the back. Kuszewski has been the bulwark of our attack."

Kuszewski has hit safely in the last nine games. The big first baseman has collected 13 hits in his last 36 appearances at the plate including four home runs and 13 runs batted in. His batting average has jumped from .317 to .280.

LOOP GOES ON HITTING SPREE
By THE ASSOCIATED PRESS
The Eastern League was a hitter's paradise Wednesday night.

York, leaders in the Southern division, unleashed a 11-5 victory. Springfield matched York's run total on nine hits and defeated Williamsport 11-9, although the Grays shelled five Giants' pitchers for 11 hits.

In the only other game, Allentown dropped Lancaster 7-0. Four Lancaster pitchers gave up 13 hits and were plagued by seven errors. Binghamton at Albany was rained out.

York broke a 5-5 tie in the eighth inning scoring six runs for its victory. The game produced a total of 2 hits which included three doubles, two triples and one home run.

The Springfield - Williamsport game turned into a parade of pitchers as nine hurlers gave up 20 hits including five doubles and a triple. Springfield used five pitchers and was outbatted by the Grays 9-11. But the Giants took a 7-6 lead scoring three runs in the seventh and added four more in the eighth. Allentown took a 3-1 lead in the fourth on a triple by Don Gile and a home run by Jim Kirby and picked up four more runs in the fifth on five hits. The Red Sox added the final run in the eighth on Gile's second triple and a sacrifice fly. Gordie Figgard hit his third homer since Sunday to complete Lancaster's scoring.

County League Title Game Set For Fairfield

Biglerville and Littlestown, tied for first place in the Adams County Scholastic Baseball League, will clash Monday afternoon at 4 o'clock on the Fairfield diamond to decide the regular season championship. It was announced today by George Inskip, league president.

Today Fairfield is host to Big Spring in the final game on the regular schedule. A decision will be made after the game on what will be done to establish the third and fourth place teams for the Shaugnessy playoffs.

Inskip said the playoffs will be set back until May 21 and 23 because of Monday's title game.

CHISOX MOUND STAFF GAINS HEALTHY LOOK

By THE ASSOCIATED PRESS
It's been a long time coming, but the Chicago White Sox pitching staff finally has a healthy look now that Dick Donovan has won his second in a row with a neat four-hitter.

The big right-hander, who lost his first three, gave up nothing but singles and had a one-hit shutout for seven Wednesday night as the White Sox made it two in a row over Kansas City 4-1.

Donovan's five-strikeout job followed an easy 9-2 victory by Early Wynn the night before and gave the White Sox staff two consecutive complete games for only the second time this season.

The best pitching in the American League, however, still is being done by the New York Yankees. The champs gained their largest lead of the season, four games, Wednesday with a 1-0 decision over Baltimore as Bob Turley (5-0) blanked the Orioles for the third straight time. It was the sixth shutout by the Yankee staff.

Cleveland used eight pitchers in a 9-4 victory over Detroit as Ray Boone's boner killed a Tiger rally in the ninth. Boston trimmed Washington 7-5.

Turley spun a four-hitter for his fifth complete game. Al Piharcik, who singled in Turley's one-hit, 2-0 victory over Baltimore April 26, had two hits Wednesday for the Orioles, who haven't scored in 23 innings.

Dick Gernert's homer opened a two-run ninth for the Red Sox, who over-hauled a 5-0 Washington lead with five in the fifth, three on Bill Renka's pinch homer.

Roger Maris belted successive two-run homers for the Indians, the second capping a five-run ninth. Starter Paul Foytack blew a 6-2 Tiger lead, with reliever Tom Morgan the loser. Don Mossi won his second in relief, although Cleveland used three more pitchers in the ninth when the Tigers scored two. They might have had more, but Boone, unaware that first baseman Mickey Vernon had dropped the ball, thought he was out, flung his helmet into right field and jogged after it while the Indians tracked him down for the final out.

CANNOT RECALL SHOOTING MATE
WOODBURY, N. Y. — The chief of Gloucester County detectives says that Mrs. Margaret Wells, 36, was unable to recall the details of the fatal shooting of her husband less than two hours after his death.

George Small, one of eight policemen who testified yesterday during the third day of Mrs. Wells' trial, said that "she couldn't remember exactly what took place at the time of the shooting."

Mrs. Wells, mother of five children, is accused of shooting her husband Charles, 51, in their Pittman, N. J., home last Feb. 8. The prosecution has asked for a verdict of first degree murder with a recommendation for life imprisonment.

Small's testimony before Judge William B. Kraft, partially corroborated the testimony of another policeman.

Patrolman Wallace Martin testified that Mrs. Wells told him "I shot Charles." Martin added that Mrs. Wells remembered firing only one shot from a 32-caliber pistol. The state contends two shots were fired, one going wild.

Yank Tennis To Play In Caracas
CARACAS, Venezuela (AP)—The anti-American sentiment in this country, brought to a boiling point during the visit of U. S. Vice President Nixon, is not expected to interfere with the United States - Venezuelan Davis Cup matches opening here Friday.

"Our public will applaud the Americans just as they have the Venezuelan players," said Heriberto Andrieu, president of the Venezuelan Tennis Federation in declaring he saw no reason for postponing or transfer of the matches to another country.

VON M'DANIEL, DICK GRAY GO BACK TO MINORS

By THE ASSOCIATED PRESS
Von M'Daniel, the St. Louis Cardinals' \$50,000 bonus right hander, and third baseman Dick Gray of the Los Angeles Dodgers were sent down to the minors Wednesday night as the major league clubs cut their rosters to the player limit of 25, except for service returnees.

Other surprises as the clubs met the midnight deadline were the sending down of promising pitcher Curt Barclay by the San Francisco Giants and the outright release of veteran shortstop Roy Smalley by the Philadelphia Phillies.

Gray, 26, injured an ankle a couple of weeks ago, but returned to the lineup and led the Dodgers in hitting (.314) a week ago. He has 14 RBI, third highest on the club, but got one hit in his last 15 at bats. He was optioned to St. Paul of the American Assn.

McDaniel To Houston
McDaniel, 19, who came up last year to join brother Lindy McDaniel on the Cards and compiled a 7-5 record with a 3.21 earned run average, was sent to Houston in the Texas League. Von, bothered by arm trouble, worked only two innings this season. He gave up five hits, while walking five and allowing three runs.

Barclay, who had a 9-9 record in 1957, was sent to Phoenix of the Pacific Coast League on 24-hour recall.

Smalley, at bat only twice this season, was one of three released by the Phillies. First baseman Pancho Herrera and right-handed pitcher Angelo Li Petri were optioned to Miami of the International League.

Braves Cut Three
The two defending champions also cut off three players.

The Milwaukee Braves sent their three to their Wichita farm in the American Assn. They were rookie right-hander Carlton Willey, right-hander Don Kaiser and infielder Mel Roach, whose one-year status as a returned service man has run out.

The New York Yankees disposed of right-hander Al Cicotte to Washington for an estimated \$5,000 and optioned outfielder Bobby Del Greco and infielder Fritz Brickell. Del Greco was sent to Richmond, Brickell to Denver.

SHOWDOWN IS BEING AVOIDED BY PFLIMLIN

PARIS (AP) — Additional "committees of public safety" extended the Algerian colonialist-military defiance of Paris today but dissident army leaders and Pierre Pflimlin's new government avoided a showdown.

Premier Pflimlin appeared preparing to reshuffle his day-old Cabinet to bring in the socialists. The key change probably will be the renaming of Robert Lacoste as minister for Algeria, an action likely to appease the ultra-nationalists demanding no compromise in the 3½-year-old war against Algeria's Moslem rebels.

Paris was quiet but jittery after a second night of battles between rioters, from both the extreme right and the Communist left, and security troops.

Rioters in Algiers who touched off the crisis Tuesday stayed quiet under orders of the head of the dissident junta, paratroop Brig. Gen. Jacques Massu.

Dispatches Censored

Pflimlin for the moment depended on Maj. Gen. Raoul Salan, the French commander in chief in Algeria, to preserve the facade

of government control. He designated Salan to assume provisional civil and military authority in the North African territory and announced later he had received Salan's first report. The implication was that it was satisfactory.

Heavily censored dispatches from Algeria indicated local military control, with the public safety committees operating under them, and that so far there were no direct challenges to Salan's authority. Neither was Salan making any evident attempt to oust Massu or suppress the committees.

Mob In Oran

New committees opposing any relaxation of the war effort were formed Wednesday in Algeria's second city of Oran, 230 miles west of Algiers, and in Mostaganem, Ain Temouchent and Sidi Bel Abbes, all near Oran.

In Oran a mob of about 40,000 invaded the government headquarters and attacked provincial Gov. Pierre Lambert, who had pledged his support to Paris. The army rescued him and the Oran area commander, Lt. Gen. Jean Rhetore, announced he had taken over civil and military authority. A public safety committee was set up to act as liaison between the military and the population.

FLY ANTIRIOT WEAPONS TO LEBANON TODAY

BEIRUT, Lebanon (AP) — The United States flew antiriot weapons to the "unbattered Lebanese government today and began to evacuate Americans from trouble zones in this little Arab republic.

After five days of riots, opposition political leaders seeking to topple the pro-Western government were said to be losing control of the ravaging mob. Some police in the north reportedly were deserting their posts.

Lebanese armored cars brought eight Americans and two Cypriot girls to the capital from the Bekaa Valley, in east Lebanon.

Beirut was quieter after an estimated 20 persons were killed here Monday and Tuesday. U.S. Ambassador Robert McClellan said he had no intention of moving Americans out of the capital city. By the chartered ship Jackson Creek was sent to the north Lebanese port of Tripoli, where 53 Americans were being urged by U.S. diplomats to go to Beirut.

Several ships of the U.S. 6th Fleet suddenly sailed from Gibraltar toward Lebanon and British vessels also were steaming eastward in the Mediterranean.

Both Washington and London said the ships were part of a "routine NATO naval exercise" planned before rioting began Saturday.

Ted Williams, hitting .388 during the 1957 season to lead major league batters, had a .397 average for games played during the daytime.

Pineapple Tycoon James M. Dole Dies

HONOLULU (AP) — James Drummond Dole, 80, founder of Hawaii's 116-million-dollar pineapple industry, died Wednesday about five hours after suffering a heart attack at his Honolulu home.

Born in Boston, Mass., the son of a Unitarian clergyman, he came to Hawaii in 1899 when he was 22.

He started growing pineapples for canning in rural Oahu and organized the Hawaiian Pineapple Co. in 1901 with 16 employees. The firm now has about 3,300 year-around workers and up to 7,800 in the packing season.

NEAR ACCORD ON TRADE BILL

WASHINGTON (AP) — The House Ways and Means Committee moved rapidly today toward a compromise of clashing differences over President Eisenhower's reciprocal trade extension bill.

The committee scheduled a key vote on a controversial proposal to give Congress a veto over the President's discretionary authority to ignore Tariff Commission findings that American industry is threatened by foreign imports.

As proposed, the President could be overridden by a two-thirds vote of both House and Senate if he did not raise tariffs or impose quota restrictions on imports when the Tariff Commission reported injury to U. S. producers.

Under present law, the President may ignore recommendations of the Tariff Commission if he deems such action in the best interests of the nation as a whole.

Verdi's famous opera, "Aida," was first performed in Cairo in 1871.

TWO BROTHERS ADMIT KILLING ROOKIE OFFICER

PASSAIC, N. J. (AP) — Two brothers were to be arraigned on a charge of murder here today in the fatal shooting of a rookie policeman.

The brothers Paul Fitzsimmons, 42, and Eugene Fitzsimmons, 37, of Clifton, both have prison records.

Deputy Atty. Gen. John Thevos announced early this morning that the pair had confessed to shooting Patrolman Robert Strone when the 28-year-old policeman began questioning them about the holdup of a confectionery store.

Authorities said it was Paul who had done the actual shooting.

The confessions climaxed six days of intensive investigation that began early last Friday when Strone's body was found lying in a pool of blood in a lot near Fourth St. His pistol, nightstick and flashlight were missing, and a .38 caliber slug was found in the back of his neck.

It was the detective work of another rookie policeman that led to the arrest of the Fitzsimmons brothers.

Patrolman George Zipko, who was sworn in the same day as Strone, received a tip that the brothers had returned to their Clifton home earlier this week after disappearing last Friday.

He had that one of the brothers had gone to Lancaster, Pa., while the other had visited Connecticut.

Zipko was joined in his investigation by Patrolman Joseph Marut. The patrolmen staked out the Fitzsimmons home, and the brothers were finally picked up for questioning yesterday morning along with Paul's common-law wife, Alice.

The woman was being held as a material witness.

Police said that under questioning the men admitted burglarizing the confectionery store and stealing money orders, cigarettes and razor blades.

But officers, who said they had found blood on one of the men's shoes as well as on the mat of their car, continued quizzing the pair for a possible link with the Strone slaying.

Thevos said the brothers finally broke down and confessed to the murder shortly after midnight.

Police pieced the murder together this way:

Strone came upon the men soon after they had burglarized the confectionery store. He found them sitting in their car filling out money orders.

The patrolman ordered the men from the car and leaned in to search the glove compartment while the brothers stood behind him.

The pair jumped Strone, grappled with him and finally shot him to death with his own gun.

Strone, married and the father of two young children, was buried last Monday at ceremonies attended by scores of his fellow officers.

Littlestown

FORMER ARMY
CHAPLAIN TO
SPEAK MAY 29

The Rev. Fr. Salvatore Zangari, former Army chaplain and now stationed at the veterans hospital in Lebanon, will be the speaker for the annual Memorial Day service in Littlestown on Thursday evening, May 29, as announced at the semi-monthly session of the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars held on Tuesday evening at the post home. In case of rain on May 29, the memorial service will be held in the local high school auditorium. The VFW post made plans to participate in the observance.

Commander Bernard Kuhn was in charge of the Tuesday session, when two new members were enrolled, William H. Armor and Ellis R. Jacobs. An invitation was read to participate in the Sons of Union Veterans Service at Gettysburg College on Sunday, June 8. Edgar W. Wisotzky reported on the annual spring dance held recently by the post. Kenneth Seymour was appointed as an additional member to the building committee. The VFW decided not to sponsor the teen-age hops tentatively discussed in the past. It was announced that a district meeting will be held on Sunday in Waynesboro. A meeting of the Home Association will follow the next meeting on Tuesday, May 27.

Sorority Installs

Installation of officers with the usual ceremonies took place at the first May meeting of the Eta Tau chapter of the Beta Sigma Phi sorority, held on Tuesday evening at the home of Mrs. Donald Z. Mann, Hanover.

The past president, Mrs. John F. Feaser Jr., passed the gavel to the president-elect, Mrs. Charles W. Simons; the latter presented the pledge of rituals to the vice president, Mrs. Bernard Little.

H. Dean Stover, a member of the Littlestown Senior High School faculty, presented the cultural program on "The True." The following four members will attend the South Eastern Beta Sigma Phi Sorority convention in Baltimore on May 23, 24 and 25: Mrs. Feaser, Mrs. Clyde W. Crouse, Mrs. Ray T. Harner and Miss Carolyn Grotz. The next regular meeting of the chapter will be held Tuesday, May 27, at the home of Mrs. Bernard Little, W. King St., when Miss Madeline Deardorff will present the cultural program on "The Beautiful."

The Rev. G. Howard Koons, pastor, and Harold E. Shoemaker, lay delegate, represented Christ United Church of Christ; the Rev. Glenn Finchbaugh, pastor, and Calvin M. Sentz Sr., lay delegate, of Redeemer's United Church of Christ, attended the spring sessions of the Mercersburg Synod held on Tuesday and Wednesday at Canadachly United Church of Christ, near East Prospect. The Rev. C. F. Glass is pastor of the host church. Synod sessions were in charge of the Rev. James W. Moyer, Carlisle.

146 At Banquet

One hundred and forty-six persons attended the annual mother-daughter banquet of Grace Lutheran Church. Two Tavernas, held on Tuesday evening in the social hall of St. John's Lutheran Church. The invocation was offered by Mrs. Walter Morelock Sr.

The following program was presented: Group singing, led by Miss Evelyn Reaver and accompanied on the piano by Mrs. Clarence Myers; recitation, Jane Benner; toast to mothers, Miss Nancy Trostle; solo, Mrs. Linn Kepner; recitations, Lois and Peggy Nester; duet, Miss Viola Sachs and Mrs. Percy Grove; solo, Helen Helwig; recitation, Judy Maddox.

Recognitions were given to the oldest mother present, Mrs. Mabel Benner; youngest mother present, Mrs. Gerald Miller; mother with the most daughters present, Mrs. Earl Sponseller, six; mother coming the farthest distance, Mrs. Linn Kepner; youngest daughter present, Sharon Herring.

Mrs. Ross Schwartz presented a talk appropriate for the occasion. The program concluded with the group singing of "Blest Be The Tie" and the Friendship Circle. The program committee for the affair included: Miss Betty Harner, Mrs. Earl Benner, Mrs. Percy Grove, Mrs. Oliver Seguin and Mrs. Glenn McClellan.

Plan Public Party

The weekly public party will be held in St. Aloysius Parish Hall on Saturday evening, starting at 8 o'clock. There will be prizes and refreshments.

Christine June Bair, infant daughter of Arthur E. Jr. and Lois Spangler Bair, S. Queen St., was baptized on Sunday following the worship service in St. Paul's Lutheran Church by the pastor, the Rev. David S. Kammerer. The parents were the baptismal sponsors. The child was born February 10, 1958 at the Warner Hospital, Gettysburg.

Mrs. Samuel J. Snyder will be leader for the program at the May meeting of the Women's Missionary Society of St. Luke's Union Church at 8 p.m., Friday, at the church, near White Hall.

The Ladies' Auxiliary to the F.O.E., Littlestown Aerie No. 2226 will sponsor the weekly public party in the social room of the Eagles Home at 6 p.m. Friday.

Mr. and Mrs. Stanley S. Horner and son, Robert, M. St., and her brother and sister-in-law, Mr. and Mrs. Mervin Dutterer and children, Douglas and Brenda, Finkburg, spent Sunday at Pennsylvania State University, with the Harners' son, Richard, a freshman there, and attended the special Mother's Day activities.

CRIPPLED GIRL

in the county. Last year Miss Elizabeth Evans, also a member of the county society's board and a former officer, received a similar award.

President Bartholomew appointed Mrs. Joseph F. Bushey, Miss Mar-

garet McMillan and Mrs. James Parry to a nominating committee to prepare a report for the September meeting when the annual election of a third of the membership of the board will take place.

Following action taken at an earlier meeting of the board, Mrs. Bushey reported that the mother of a crippled child in the county will go to a family institute at

Camp Easter Seal August 22 to 24. The camp is planned specially for children of handicapped boys and girls. The crippled youngster will accompany his mother to the camp.

Buy Wheel Chair

The report of the treasurer, Mrs. Parry, showed the society spent more than \$800 in the last four months with the largest single item being \$324 for a wheel chair being

provided for loan without charge to countians who need such equipment.

Other payments included \$65 for therapy treatments at the Warner Hospital, \$57.50 toward the cost of a hearing aid, \$120 for an artificial limb for a girl and smaller sums for special shoes, brace repairs and other such items.

The board agreed to send a Get-

tytsburg High School girl to a pre-clinic checkup at Penn State University this summer in the hope that she may be able to enter the speech clinic in the summer of 1959. Enrollment for the clinic this summer is filled.

Easter Seal receipts will be used to finance the summer camping for Margaret Miller, the mother and child trip to the family institute in

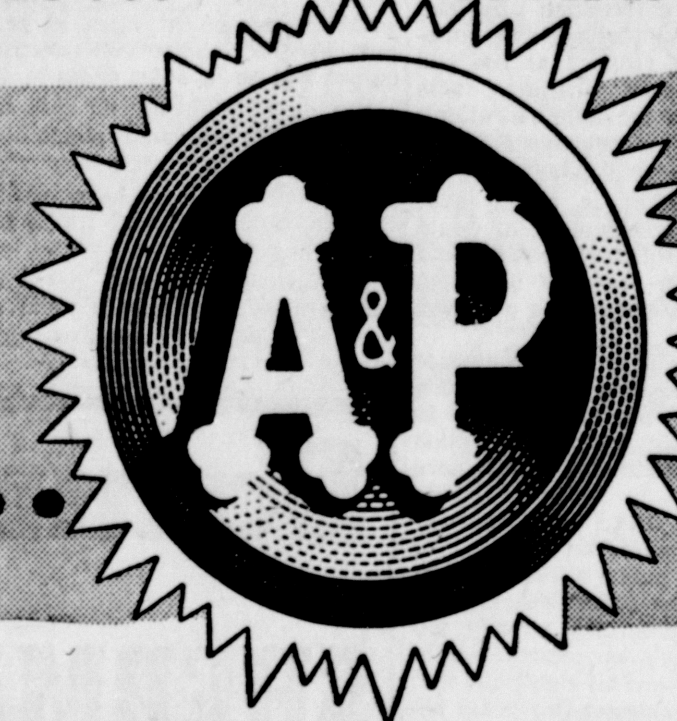

August and the expenses of a second child camper if one is located.

LICENSED TO MARRY

The following have secured marriage licenses in Carlisle: Paul E. Shriver and Dorothy M. Miller, Gettysburg; Ronald G. Decker, Dillsburg, and Pearl G. Sager, York Springs.

Ordering Troops To Protect Nixon Was A Precautionary Measure Declares President

By MARVIN ARROWSMITH
WASHINGTON (AP) — President Eisenhower said Wednesday he was taking the simplest kind of precautionary measure in the world in sending additional troops to the Caribbean after mob violence against Vice President Nixon.

Eisenhower told his news conference the order for two companies of airborne troops and two companies of Marines was given when there were no facts available as to whether Nixon and his wife were safe in Caracas, Venezuela.

At the time, he said, it was not known whether Venezuelan authorities could control the situation.

Subsequently the President and his aides were informed the vice president and his wife were safely inside the American Embassy.

Eisenhower said the troops were ordered to bases well within the American zone.

Ready If Needed
He said no offer had been made to Venezuela to have the American forces intervene there.

This was the situation, Eisenhower said: "Only if Venezuela asked for help would there be any action by the American troops."

In Congress Democrats generally deplored the action in sending troops into the area while Republicans supported it. There were indications the troop order would figure largely in a forthcoming investigation into the Nixon incidents and their relation to U.S. relations with Latin America.

But, he told a news conference, he believes economic troubles are partly responsible for the anti-American demonstrations in such countries as Venezuela and Peru.

Eisenhower said Communist inspiration seems to be behind the demonstrations in some other parts of the world, but added that the unrest in French Algeria may be caused by something else.

A reporter asked whether the President saw any pattern of Communist inspiration or whether it also could be a case of genuine resentment against U.S. policies.

"Complex Question"
Eisenhower called it a complex question. Then he went on to say that he does not believe there is any single cause of the violence in the Latin American countries.

There are, he added, economic factors in the U.S. relationships with such countries as Uruguay, Bolivia, Peru and Venezuela.

In Venezuela—where Nixon and his party were stoned and spat upon Tuesday—there have been rumors, Eisenhower said, that the United States is trying to impose quotas on such oil exporting nations.

There is no truth to that, Eisenhower declared.

Then he said that U.S. economic aid and world trade is as vital to this country as is proper defense.

As for the possibility of the riots being communist inspired, Eisenhower said it is an old story all over the world that the Communists try to exploit any unrest.

Cites Other Examples
He mentioned Burma, Indonesia and South America as examples.

He said it looks like some sort of concerted idea or pattern. Eisenhower then said he was making no direct accusation, but that it looks like a case of a lot of smoke and therefore there is a possibility of some fire.

The news conference drew 302 reporters—nine short of a record. The President dealt with these other topics:

TROOPS—The four companies of Army paratroopers and Marines dispatched to Caribbean bases have been sent in the simplest kind of precautionary move—because during the rioting in Caracas Tuesday there was much uncertainty whether Nixon and his party could be protected by the Venezuelan government.

Eisenhower called it simply a case of putting troops where they will be available if Venezuela should seek help.

Didn't Expect Trouble
As for whether the United States anticipated that Nixon would encounter the sort of violence he has in South America, Eisenhower said the possibility was discussed but that no one at any time thought of cancelling the vice president's trip in advance of departure.

And, Eisenhower added, he believes no one anticipated the intensity of the violence Tuesday in Caracas. It caught everyone by surprise, he said.

NIXON WELCOME — Asked whether he intends to greet Nixon at the Washington airport on his arrival from Venezuela Thursday, Eisenhower said he admires the vice president's courage and fortitude and would like to do something to show his admiration. But he said he did not know at the moment just what his schedule will be.

TAXES — The administration is going to have to decide soon, Eisenhower said, whether to advocate a tax cut as an anti-recession step.

He made that reply when reminded that corporation taxes and certain excise levies will automatically be reduced at the end of June unless Congress acts meantime on the administration's current recommendation that the present level be continued.

Asked whether he would favor an income tax reduction, or would veto such a bill, the President said with a laugh that the newsman was trying to get him to prophesy again.

Then he said he sees nothing to change his position of the last few months—an apparent allusion to his frequently stated contention that the tax situation needs more study.

PUBLIC WORKS — Eisenhower threw cold water on the idea of any new big public works program to counter the business slump. He said some programs already under way—such as construction of post offices—are all right, but that it would be at least two years before construction of any new large projects could get under way.

NUCLEAR TESTS — Eisenhower said the United States is consulting with its Allies regarding Soviet Premier Nikita Khrushchev's latest note expressing willingness to start talks on the policing of any nuclear test ban. The matter is being studied carefully and he will send a reply to Khrushchev soon, the President said.

LEBANON AND ALGERIA—at the outset of the conference, Eisenhower asked to be excused from answering any questions dealing with the current unrest in Lebanon and Algeria.

SEGREGATION — Eisenhower said he deplores the use of federal troops anywhere to enforce court orders. He made that remark when asked whether he might follow the same course he did in Little Rock, Ark., if there should be violence in other states over school integration as there was in that case.

PENNSYLVANIA VOTE — Eisenhower said he hopes to get to Gettysburg, Pa., next Tuesday to vote in the state primary. He is a legal resident of Pennsylvania.

WAGE - PRICE — Eisenhower was asked for comment on a recommendation by the Commerce Department's Business Advisory

at the Washington airport on his arrival from Venezuela Thursday, Eisenhower said he admires the vice president's courage and fortitude and would like to do something to show his admiration. But he said he did not know at the moment just what his schedule will be.

TAXES — The administration is going to have to decide soon, Eisenhower said, whether to advocate a tax cut as an anti-recession step.

He made that reply when reminded that corporation taxes and certain excise levies will automatically be reduced at the end of June unless Congress acts meantime on the administration's current recommendation that the present level be continued.

Asked whether he would favor an income tax reduction, or would veto such a bill, the President said with a laugh that the newsman was trying to get him to prophesy again.

Then he said he sees nothing to change his position of the last few months—an apparent allusion to his frequently stated contention that the tax situation needs more study.

PUBLIC WORKS — Eisenhower threw cold water on the idea of any new big public works program to counter the business slump. He said some programs already under way—such as construction of post offices—are all right, but that it would be at least two years before construction of any new large projects could get under way.

NUCLEAR TESTS — Eisenhower said the United States is consulting with its Allies regarding Soviet Premier Nikita Khrushchev's latest note expressing willingness to start talks on the policing of any nuclear test ban. The matter is being studied carefully and he will send a reply to Khrushchev soon, the President said.

LEBANON AND ALGERIA—at the outset of the conference, Eisenhower asked to be excused from answering any questions dealing with the current unrest in Lebanon and Algeria.

SEGREGATION — Eisenhower said he deplores the use of federal troops anywhere to enforce court orders. He made that remark when asked whether he might follow the same course he did in Little Rock, Ark., if there should be violence in other states over school integration as there was in that case.

PENNSYLVANIA VOTE — Eisenhower said he hopes to get to Gettysburg, Pa., next Tuesday to vote in the state primary. He is a legal resident of Pennsylvania.

WAGE - PRICE — Eisenhower was asked for comment on a recommendation by the Commerce Department's Business Advisory

at the Washington airport on his arrival from Venezuela Thursday, Eisenhower said he admires the vice president's courage and fortitude and would like to do something to show his admiration. But he said he did not know at the moment just what his schedule will be.

OHIO VALLEY EXPECTED TO TURN TO ATOM

By COL. R. E. SMYER, JR.
CINCINNATI (AP)—Ohio Valley electric utility men, who for several years have pioneered in atomic research, predict that within a decade at least 50 per cent of the valley's vast electric output will be of atom origin.

Nor do they shut their eyes to the great unmeasured possibility

that eventually hydrogen fusion rather than atomic fission may become the power source of the future.

Twenty-two top utility and industrial firms of the east and mid-west currently are cooperating in the construction of a 150,000 kilowatt atomic power plant at Laguna Beach, near Monroe, Mich.

Site Selected
One of the utilities already has selected a river-bank site up river from Cincinnati for its atomic power installation, which at the moment is planned as a 150,000 KW plant. Details of the plans have not been disclosed. A similar plant operated by Duquesne Light Co. of Pittsburgh at Shippingport, Pa., is rated at 60,000 KW.

Several years ago, 15 private utilities combined their resources to construct the two largest steam electric power plants ever built—located on the Ohio River near Madison, Ind., and Gallipolis, Ohio—to provide energy required

by the huge AEC plant at Waverly, Ohio, north of Portsmouth. These two plants require a total of eight million tons of river-borne coal a year to produce upward of 2,200,000 kilowatts of power.

Atomic power may in some now distant day affect the utility market for the Ohio Valley's fathomless supplies of coal, the cheap transportation of which by barge has been a major factor in this area's vast industrial development.

But that day plainly will not come so long as generating costs, through use of coal, remain at or near the present average of 1.9 mills per kilowatt hour.

Supplemental At First
Atomic power at the moment, costs in excess of eight mills per KWH. It would appear, then, that for years to come, atomic energy's prime use will be as a supplement to coal and that present demand will continue.

If and when atomic powers does

assume any other role, utility men are confident that new and as yet undreamed uses of coal will come as a result of research.

Coal as a source of chemicals, dyes, medicines, and pharmaceuticals is one of our great "stockpiles" of the future in the field of better living. Even in an era when atomic power may have put coal barges to other use, the coal mines themselves may, in the opinions of many, become huge central heating plants, from which heat will be distributed underground to wide segments of the countryside.

(Tomorrow: Ohio Valley is "Atom Valley.")

198 Exhibits For Science Fair At Littlestown High School

The fifth annual Science Fair to be held in connection with Open House at the Littlestown Junior Senior High School on Friday evening will feature 198 exhibits and the areas in which prizes will be awarded include physical science, biological sciences and general science, the latter in junior high.

Judges for the fair have been announced as follows: Dr. Walter Q. Bunderman, chairman of the department of chemistry, John Harris High School, Harrisburg; Charles W. Rutschky Jr., chairman, department of science and the physics teacher at William Penn Senior High School, York; and William C. Darrah, department of biology, Gettysburg College.

For the first time, there is a sponsor for the fair this year, the Mason and Dixon Memorial Post No. 654, Veterans of Foreign Wars. The commercial exhibit this year will be by R. H. Sheppard Co., diesel engines and tractors, Hanover. Local science teachers, whose pupils planned and executed the exhibits, are James L. Rhoads, Junior High science; Jack Bream, general science; Maurice Bream, biology, and Junior High science; Richard D. Thomas, chemistry and math; H. Dean Stover, physics and math.

The doors will be open at 6:30 p.m. Friday and the public is invited to attend.

adopted is \$134,418.18. The tax rate will be the same as last year, 30 mills on real estate and \$10 per capita.

The board decided that due to an insufficient number of parents showing interest in the supervised recreation program this summer by registering their children for tentative participation several weeks ago, the program will not be sponsored by the board this summer.

Receipts were: \$126 from LeRoy W. Bish, tax collector, for per capita taxes, and \$285.60, real estate taxes. Expenditures, \$20.58 to Mr. Bish, commission on taxes collected.

Lloyd E. Crouse was elected treasurer of the board for another year. Present at the session were: Karl P. Bankert, president, who presided; Wilbur E. Mackley, Lloyd E. Crouse, Henry E. Waltman, Luther W. Ritter, non-member, secretary, and Paul E. King, supervising principal of the Jointure. The board will meet again next month, June 10.

Plan Picnic And Trip
Tentative plans for a family picnic and a trip to the Allenberry Playhouse, were discussed at the May meeting of the Ladies' Aid Society of Redeemer's United Church of Christ held on Tuesday evening in the church social hall. The annual picnic for Aid members and their families will be held in August, on a definite date to be announced, at the home of Mr. and Mrs. Edward B. Geiman, along the Littlestown-Hanover Rd. Arrangements are in charge of the following committee, Mrs. Glenn S. Kauffman Jr., Mrs.

William Wherley and Mrs. Mervin LeGore.

Members of the society will enjoy dinner and a play at Allenberry, near Bolling Springs, in the near future. Arrangements are being made and a date will be announced soon. Mrs. Lloyd E. Crouse is in charge of the ticket sales.

The meeting on Tuesday opened with the Apostles' Creed in unison; group singing, accompanied by Miss Judy Flinchbaugh; Scripture reading in unison; prayer, Mrs. Calvin M. Sautz Sr.; readings, Mrs. Wilbur A. Bankert, Mrs. Clement A. Sneringer and Miss Blanche Troxell. Mrs. Edward B. Geiman, president, conducted the business session and heard reports from the secretary, Mrs. Donald C. Arbogast and treasurer, Mrs. Paul F. Crabbs. It was voted to make a contribution to the anniversary fund in June. A letter of thanks was read from the Rev. Mark J. Wagner, superintendent of the Homewood Church Home for the Aged, expressing appreciation for the society's gift of furnishing the sitting room of the infirmary at the Hanover unit of Homewood. It was decided that each member will conduct her own fund raising project for the benefit of the aid over the summer, and report on her success at the next regular meeting of the group on Tuesday, September 9, at the parsonage on Maple Ave. The session then concluded with the Lord's Prayer repeated in unison. Refreshments were served by Mrs. Bankert, Mrs. Sautz and Miss Troxell.

LAWRENCE IN BID FOR VOTES FROM BUSINESS

LEHIGHTON, Pa. (U. P.) — Mayor David Lawrence of Pittsburgh, Democratic organization choice for the gubernatorial nomination, made one of his final eastern Pennsylvania primary campaign stops here today after appealing for support of businessmen.

Lawrence made the appeal in Norristown Wednesday and at the same time said he holds "the support and confidence of organized labor."

His running mate for the senatorial nomination, Gov. George Leader, appeared at Donora and said that only through a united effort by business, labor and industry could Pennsylvania overcome recession - caused problems. He added that state aid was ready for all economically distressed communities that undertake an industrial development program.

Furman Charges
Meanwhile, Lt. Gov. Roy E. Furman, Lawrence's opponent in the primary, charged that a Highway Department truck driver has been fired because he refused to submit to political pressure and buy a ticket to a Democratic fund-raising dinner.

Furman said the driver, Amos P. Aunsbach, was fired from the Lebanon Highway Shed No. 2 when he refused to buy a ticket to a \$25-a-plate dinner May 1 to raise funds for the Lawrence-Leader ticket. Furman, who appeared in Philadelphia Wednesday, made the accusation in a statement issued at his Harrisburg campaign headquarters.

The Highway department said that Aunsbach was not dismissed but, on the advice of his supervisor, he was suspended May 3 "because he drove his truck from the right of way and damaged some foliage."

"New Generation"
Furman said he intended to furnish information to the Lebanon County District Attorney and the U.S. Attorney "for whatever appropriate action is indicated."

Lawrence, in his speech at Democratic dinner in Norristown, said "we have a new generation of business leadership, much of it enlightened."

"I would hope to see that enlightened so spread that business leaders in Pennsylvania will not automatically support Republican candidates they know to be unqualified and Republican policies they know to be wrong."

Young Moderns
BY VIVIAN BROWN

Let's take a rocket ride and see what's perking on teen fronts.

FASHION FAD — One kind of shirt invites autographs. The shirt may be worn tucked in or straight-hanging, comes packaged with a ball-point pen, handy for scrawling phone numbers and pictures.

TEEN AIDERS — Youngsters of Staples High School, Westport, Conn., have figured out a gimmick for fund raising for the benefit of the American Field Service International Scholarship program. The plan will make it possible for a Staples student to study abroad and a foreign student to live in Westport. Here's how it works.

The students have distributed cards to residents of the area offering to work at jobs, including car washing, removing storm windows, washing dogs, ironing, baby sitting, outdoor work, providing \$1 for every hour of their time is contributed to the AFSSIP.

DIETERS DELIGHT — Newest gimmick for student dieters is to ask the boy home for an afternoon snack, instead of joining him for treats where one must admit one is on a diet. Make any flavored drink you like with nonfat dry milk, they say. All you do is pour the milk crystals in a glass with ice water, add low-calorie lemon sherbet or other flavoring, a teaspoon of lemon juice and you have a low-calorie between-meal snack. Add some cherry juice if you'd like a pink flavor.

GIRL BASEBALL — Junior baseball is not limited to males. Girls up to 15 years old are playing lassieball, a form of softball. The pattern for the Lassie Leaguers was begun in 1953 by a retired industrialist. Last year there were leagues in action in Pennsylvania, California, Virginia and Florida, and the idea is still growing, expected to catch on in New England.

POSTER PASSION — A new form of art with young people who can afford Rembrandt or Corot or other old masters is poster art. Bullfight posters painted by Ruano Llopis depicting famous positions and passes of memorable matadors are going on teen-age walls. Some young people collect posters — theater, bullfight, circus, etc.

TEEN TALK — You may add to your vocabulary these little tid-bits from a freshman at Skidmore College:

It a boy is dressed to a T, he's considered "real shoe."

It he is overdressed, he is "real galosh" (overshoe).

If he is underdressed, he is a "poor sole."

Boyle's Community Pure Food Store, Emmitsburg, Celebrates 25th Anniversary Of Its Founding With Huge Weekend Sale

Bernard H. Boyle, Emmitsburg, owner of the B. H. Boyle and Sons Community Pure Food Store, E. Main St. in Emmitsburg, celebrates his 25th anniversary in business, today, Friday and Saturday.

Mr. and Mrs. Boyle, their two sons, Pat and Mike, their son-in-law, Dick Sprinkle, run the establishment, with Mrs. Mildred Duttera, Mrs. Mary Sherwin, Emmitsburg, and John Sprinkle, Fairfield.

Boyle opened his grocery store on E. Main St. Friday, May 13, 1933. "Opening the store on Friday the 13th hasn't proven unlucky to me," Boyle said. The first business in that building was in early 1900 when O. S. Gillean had a cash house (general store) after which it was empty for approximately 30 years.

Groceries aren't the only items for sale in Boyle's Community Pure Food Store. The basement houses a complete "to the penny nail" hardware store. Adjoining the food market on the main floor are well stocked cosmetic, record, clothing, electrical appliance, and gun departments.

Was Truck Driver

Boyle said he entered the grocery business when, working as a truck driver, he found he was "flat broke," and thought he couldn't do any worse than that. "What made me so determined to go ahead was when a salesman told me I wouldn't be successful, and that burned me up. I switched to his competitive company and have fought to be a success ever since," Boyle explained.

Mr. and Mrs. Boyle's son, Leo "Mike," age 23, a special student at Mt. St. Mary's College, buys the groceries and does the bookkeeping, while their oldest son, Pat, 24, a sophomore at Mt. St. Mary's, is in charge of frozen foods and is the general hardware buyer.

Dick Sprinkle, husband of Mr.

Photographed above is part of the interior of the 25-year-old B. H. Boyle Community Pure Food Store in Emmitsburg where a 25th anniversary sale will be held today, Friday and Saturday. At the rear are shown, left to right: Mrs. B. H. Boyle, Bernard Boyle, Pat and Mike Boyle, and Richard and John Sprinkle. (Times Photo)

Emmitsburg

EMMITTSBURG — Mr. and Mrs. James Topper and daughter, Baltimore, visited over the weekend with friends and relatives in town.

Mr. and Mrs. Donald Rodgers, Baltimore, visited over the weekend with Mrs. Carrie Rodgers and Mr. and Mrs. Curtis Topper and family.

Daniel Saffer, Baltimore, spent the weekend at the home of his mother, Mrs. Marie Saffer, N. Seton Ave.

Mr. and Mrs. Donald Long and son, Douglas, visited in Thurmont Saturday evening.

Visitors Sunday at the home of Mr. and Mrs. James Arnold were: Mr. and Mrs. David Arnold, Westminster, and Mr. and Mrs. Willard

and Mrs. Boyle's daughter, Loretta, works in the meat department and has charge of frozen food lockers. The Boyles have another daughter, Mrs. Anna Marie Kuntz. Mrs. Boyle is in charge of clothing and drugs.

During the three-day anniversary sale, door prizes and samples of various products sold in the store will be distributed. TUBERCULOSIS STILL IS MAJOR HEALTH THREAT

By RICHARD L. GRAVES

HARRISBURG (P)—New means of treating tuberculosis have cut the cost of curing patients by 25 per cent—but the disease is still one of Pennsylvania's major health problems.

"New developments in drugs have caused the big saving," said Dr. Charles L. Wilbar, secretary of health.

"Coupled with improved surgical procedures, they have reduced the hospital stay of average patients from three years to 10 months," he noted.

7,141 Cases In Year

However, improvement of treatment has done little to cut the number of cases reported each year. Department statistics showed there were 7,141 cases reported in the state last year, a rise of more than a thousand over the previous year.

In the years since World War II the number of reported cases has ranged between 5,000 and 7,000 a year with more than half the cases coming from Philadelphia and Allegheny counties.

"The current cost of treating and curing a patient is \$15,000," Wilbar said. "Without the new treatment methods I estimated the cost would be about \$20,000."

Kept Less Time

As late as 1952, a person diagnosed as tubercular could expect a three to five-year stay in one of the Health Department hospitals at Mont Alto, Cresson, Hamburg, Pittsburgh or Philadelphia.

"Today's patient is kept just long enough for disease stabilization through laboratory testing, education and rehabilitation," Wilbar said.

He added that in most cases admission to a tuberculosis hospital is still considered a necessity to insure adequate rest, diet and treatment.

Clinics Important

Wilbar said that under the Health Department's program patients are taught how to prevent the spread of their infection and also given vocational training to help them become self-supporting when cured.

After leaving a TB hospital, patients are required to report to one of the department's 82 tuberculosis clinics for continued treatment and observation.

The out-patient clinics are an important morale factor in helping patients regain their health," Wilbar declared.

The Panhandle, so-called because of its shape at the top of Texas, is an area larger than Pennsylvania.

Select Korean Casualty Today For Burial At Arlington Tomb

By ROBERT TUCKMAN

HONOLULU (P)—A decorated infantryman of the Korean War singles out for national tribute today a comrade-in-arms who fell unknown in that far off fighting.

In a simple ceremony, M/Sgt. Ned Lyle will place a wreath of Hawaiian flowers on the casket of one of four unidentified dead of the Korean conflict.

The serviceman Lyle selects will be flown to Arlington National Cemetery for burial beside the Unknown Soldiers of two world wars.

From Volcano Floor

The four unknowns, representing the four branches of the U. S. armed services, were chosen previously from among 853 unidentified dead of the Korean War interred here.

These remains were assembled from various cemeteries in Korea. The final group was brought here in 1956.

Site of the selection ceremony is the National Memorial Cemetery of the Pacific, a grass-covered expanse laid out on the floor of an ancient volcano crater. The site is known to Hawaiians as Puowaina or "Hill of Sacrifice."

Some 14,000 military dead are buried there.

Another Ceremony

In a similar ceremony Friday, an unknown serviceman of Pacific fighting in World War II will be selected at Hickam AFB near Honolulu.

He will be chosen from among six unknowns assembled from burial sites in the Philippines and Hawaii. The unknown selected will be flown to Guantanamo, Cuba, to be put aboard an American cruiser.

There, the Pacific unknown will join with the unknown serviceman of the European World War II fighting. He was selected Monday at Epinal, France.

"A Very Great Honor"

One of these two will then be chosen the Unknown Soldier of World War II and buried in Arlington along with the Korean War Unknown and the Unknown Soldier of World War I. The other will be buried with honors at sea off Norfolk, Va.

Lyle was chosen to make the Korean War selection because of his fine combat record. He won a Distinguished Service Cross for leading his company in heavy hill fighting in the Kumwha Valley area in August, 1951.

Of his role today, he said: "I consider it a very great honor."

CHAVEZ WINS RENOMINATION

ALBUQUERQUE (P)—U.S. Sen.

Dennis Chavez (D-NM) won renomination and State Rep. John Burroughs emerged as the choice of New Mexico Democrats for the governorship in Tuesday's primary elections.

Burroughs' leading contender, Joseph A. Bursey of Santa Fe, had not conceded but successive tabulations only served to lengthen the Burroughs margin.

Returns from approximately four-fifths of the state's 969 voting divisions gave Burroughs a lead of 7,359 votes over Bursey, 39,390 to 32,031. Trailing far behind were Corporation Commissioner Ingram B. Pickett, 16,097; one-time Atty. Gen. Robert C. Dow, 5,046; and Cole Moffett, Albuquerque real estate man, 2,045.

Concedes Victory

Chavez' victory was conceded by his opponent, former State Land Commissioner E. S. Johnny Walker.

Republicans had only two contests in their relatively small primary. Republican Gov. Edwin L. Mechem, now serving an unprecedented third term, was unopposed for renomination.

Sen. Chavez scored a decisive victory over Walker. His lead was more than 23,000 votes in 733 divisions, 55,459 to Walker's 32,132.

Former State Rep. Forrest S. Atchley led former State Sen. Reginaldo Espinoza by 7,710 votes to 5,484 in 817 divisions for the Republican nomination for the Senate.

In the only other Republican contest, former State Liquor Director Ellego Baca apparently won nomination for lieutenant governor.

HARRISBURG (P)—Pennsylvania Turnpike toll collectors and state police have been directed to check vehicles using the super-highway for compliance with safety standards, particularly in the matter of bad tires.

Joseph J. Lawler, vice chairman of the commission, said Tuesday the procedure was ordered in anticipation of heavy tourist traffic. He said vehicles with bad tires would be halted.

COURT UPHOLDS RIGHT TO BAR PICTURE TAKING

PHILADELPHIA (AP) — A U. S. Court of Appeals has affirmed the right of a judge to bar picture taking in or near his courtroom.

If a judge may ban photographers in his court room "it can hardly be successfully argued that his power stops when one closes the court room door," the court decided Tuesday in upholding a Westmoreland County court ban against picture taking in or near the courtroom.

Two newspapers, the Pittsburgh Post-Gazette and the Greensburg Tribune-Review, and seven individuals appealed a decision of the U. S. District Court in Pittsburgh last August. That decision also upheld the ban.

Violation Of Rights
The appellants argued the ban was a violation of the constitutional rights of freedom of speech and the press.

Judge Herbert F. Goodrich, who wrote the appeals court opinion, said, "We are not dealing with freedom of expression at all but with rules having to do with gaining access to information on matters of public interest."

"We think that this question of getting at what one wants to know, whether to inform the public or to satisfy one's individual curiosity is a far cry from the type of freedom of expression, comment, criticism so fully protected by the First and 14th Amendments of the Constitution."

"There is existing authority under Pennsylvania law to make the rules here involved," the court declared.

Wable Picture
The newspapers involved published pictures of convicted slayer John Wesley Wable in December, 1954 when he appeared at the courthouse to be sentenced. The Westmoreland County Court pre-

Two Survive Falls From High Windows

DETROIT (AP) — David Grinnett, 2, and Joseph Dziatkowski, 67, fell from high building windows in separate plunges Tuesday. Both survived.

David plunged from the third floor window of his home. He landed on a rubbish pile. His mother, Virginia, 23, said he was unscratched.

Dziatkowski plummeted four stories from the window of his room at Henry Ford Hospital. He was recovering from a blood clot operation, but was later listed as critical from chest injuries received when he struck soft soil below the window.

DEATHS

By THE ASSOCIATED PRESS
TOLEDO, Ohio (AP) — Fred L. Mollenkopf, 70, city editor of the Toledo Blade from 196 to 1949 and former managing editor of the old Toledo News-Bea, died Tuesday after suffering a series of strokes. Since 1949 Mollenkopf had written a column, "Among the Folks," for the Blade.

WINNIPEG, Man. (AP) — Lewis St. George Stubbs, 79, removed as Manitoba Surrogate Court judge in 1933 after being found guilty of judicial misconduct, died Monday. His removal came in the course of a legal and political career that made his name known across Canada. He was born in Turks Island, British West Indies.

viously had banned picture taking of anyone involved in the case. The pictures were taken with concealed cameras on the first and fourth floors of the courthouse.

The Westmoreland court convicted six newsmen and a photographer of direct criminal contempt April 12, 1955. Each man was sentenced to pay a fine, costs and to serve time in jail.

The Pennsylvania Supreme Court affirmed the ruling in October, 1956, although it eliminated the jail sentences. The U. S. District Court next heard the case.

GOP GOVERNOR RENOMINATED

OMAHA (AP) — Republican Gov. Victor Anderson and Nebraska's four GOP congressmen won primary election renomination Tuesday.

Democrats selected Frank B. Morrison, Lincoln attorney, to oppose U.S. Sen. Roman Hruska in the fall. Hruska was unopposed.

Ralph G. Brooks, McCook school superintendent, apparently clinched the Democratic gubernatorial nomination over Edward A. Dosek, Lincoln insurance man.

The stiffest GOP congressional challenge was accorded Rep. Phil Weaver of Falls City in the First District. It came from Carl W. Deitemeyer of Lincoln, former farm magazine editor and the husband of the 1956 "Mrs. America."

Democrats named Clair A. Callan, Odell hardware man and livestock breeder, to oppose Weaver in the First District; Francis M. Casey, Plattsmouth attorney, to run against Rep. Glenn Cunningham of Omaha in the Second District; Lawrence Brock, Wakefield cattle man, to challenge Rep. R. D. Harrison of Norfolk in the Third District, and Donald F. McGinley of Ogallala to run against Rep. A. L. Miller in the Fourth. McGinley was unopposed.

Republican nomination to state office has been tantamount to election in Nebraska since 1940. The last Democrat to win a ticket to Congress was Eugene D. O'Sullivan of Omaha, who served in 1949-50.

O'Sullivan lost to Morrison in Tuesday's Democratic senatorial race.

RALEIGH, N.C. (AP) — State Revenue Commissioner James S. Currie's headaches didn't end with the April 15 deadline for payment of North Carolina income taxes. Reporting the \$40,000 anticipated crop of sour checks mushroomed to 99,766, Currie commented, "Money's tight."

York Springs

YORK SPRINGS — The annual Mothers' and Daughters' banquet of the York Springs Methodist Church was held Saturday night in the York Springs Fire Hall with about 100 in attendance. Mrs. J. Roy Diehl Jr. was the toastmistress. The invocation was given by Miss Louise Heykman, of Harrisburg. After the dinner the following program was given: Group singing led by Mrs. June Rhoads and Mrs. John Milhimes, with Miss Janet Bittinger, pianist. The program follows: reading, "A Mother," Mrs. Richard Tate; duet, "Beautiful Dreamer," Karen Whitcomb and Melinda Rhoads; tribute to mothers, Sonya LaRue, and tribute to daughters, Mrs. Jerry LaRue; monologue, "Mother Writes A Poem," Mrs. John Milhimes; solo, "Mother Marches," Mrs. Jack Asper; presentation of potted plants to the oldest mother, Mrs. Charles Miller;

youngest mother, Mrs. Donald King; mother coming the longest distance, Mrs. Curt Eisenhart, East Berlin; daughter coming the longest distance, Mrs. Abbie Rhines, daughter of Mrs. Harold Stover, St. Mary's, Pa.; and youngest baby, Cindy King.

The guest speaker was Mrs. Carey O. Miller, of Harrisburg. The benediction was given by Mrs. Merle Miller. The baked ham dinner was served by the members of the WSCS of the Hunterstown Methodist Church.

The Latimore 4-H Campfire girls met recently at the home of their local leader Mrs. Walter Harbold. Esther Harbold led the club pledge. The members selected "Let's Cook Outdoors" for their project. Velma Brough, Janet Hinkle and Nancy Reynolds are in charge of making arrangements for the places to hold their meetings. There were 13 members present.

The annual Mother and Daughter dinner of the York Springs Madsen Club was held last Thursday night at the Hanover diner.

There 28 persons present. Each guest was given a potted plant.

Rev. G. H. Seidel, Harrisburg, will be the guest speaker at the York Springs Church of God on Sunday at 10:30 a.m. Rev. Seidel will represent the Pennsylvania Temperance League. His subject will be "A Matter Of Great Concern." The public is invited to attend.

Mrs. Richard Rhines, Ridgway, and Mrs. Harold Stover, St. Mary's, Pa., visited their mother-in-law and mother, Mrs. Abbie Rhines, for several days.

Mrs. Floyd Wiles, Cincinnati, and her daughter, Mrs. William Lyon, North Carolina, are visiting their daughter and sister, Mrs. Vernon Stambaugh and family, of East Berlin R. D.

Mr. and Mrs. Harry Griest returned to their home in York Springs Saturday after spending the winter at Ft. Pierce, Fla.

Wayne Hoff, son of Mrs. Lovina Hoff, is improving at the Polyclinic Hospital where he has been a patient for the last week.

M'GONIGLE AND STASSEN MAKE NEW PROMISES

WILES-BARRE, Pa. (P) — Arthur T. McGonigle and Harold Stassen, rivals for the Republican nomination for governor, both promised aid Wednesday for the economically depressed anthracite area of northeastern Pennsylvania.

McGonigle moved over to Wayne County today after touring Northumberland and Luzerne Counties. He told a Wilkes-Barre audience if he were elected governor he would tackle two important problems affecting communities in the anthracite fields by offering the state's best services to bring in more industry and create more jobs and by providing relief for home owners and others from damage caused by mine subsidence.

Stassen said if he were elected governor he would set up a program to aid the ailing coal industry. He told a Wilkes-Barre news conference present leaders of both parties have neglected and ignored coal areas and the coal industry needs help.

Livengood In West
Stassen went back to Philadelphia today for a final news conference there before next Tuesday's primary. He planned to tour Delaware county later in the day. He is running as an independent. McGonigle is the organization-backed candidate.

Out in the western part of the state another independent, William S. Livengood Jr. scheduled tours of Westmoreland and Indiana counties.

He was in Washington and Fayette counties Wednesday.

Stassen said in Wilkes-Barre he would seek as governor to give the coal industry a more advantageous tax situation and would set up groups to study the possibilities of new uses of coal, particularly in plastics.

He was accompanied at a Scranton meeting last night by Frank Hilton, candidate for lieutenant governor on his ticket.

Progress Program
McGonigle, in a speech at Lebanon, outlined an eight-point program for continued progress in agriculture.

He advocated proper administration by competent people of the milk control laws; support and encouragement to the constructive activity of farm organizations and groups; agricultural experimental programs for fuller utilization of the state's farm products; promotion of new and larger markets for Pennsylvania farm products; research programs to control and eradicate animal diseases and strengthening of diagnostic laboratory work; and full support to the vital soil and water conservation programs through federal, state and local cooperation.

RAGGED GUISE — You can't blame the policeman for taking a second look at this seedy character. It's none other than actor Van Heflin, garbed for day's work in Rome film studio.

ART EXPERT AT PSU CRITICIZES CAPITOL PLANS

UNIVERSITY PARK, Pa. (P) — An art expert at Pennsylvania State University today criticized the proposed extension of the Capitol in Washington on aesthetic, historical and economic grounds.

The congressional plan is "a mistake any way you look at it," summed up Dr. Paul F. Norton, associate professor of the history of art and architecture. The controversial plan would add 32½ feet to the east front of the building.

"Poor Substitute"
Dr. Norton said the work would conceal the original east facade where every American president since John Quincy Adams has been inaugurated.

"There are few enough American historic monuments left today for us to destroy what we have," he added. The new facade, which would be a replica of the present one, "would be a poor substitute," he said.

The present building, he continued, "is a remarkably impressive and successful design... the final effect is harmonious and genuinely noble."

17 Million Cost
As for the economic aspects, Dr. Norton said the "enormous" cost, "exceeding 17 million dollars," would give additional space only at the cost of "about \$130 per square foot, more than three times the cost of space obtained

in the new Senate Office Building."

He suggested Congress seek the space it needs elsewhere.

Dr. Norton has been working with newly-formed Committee to Preserve the National Capitol against the project.

BLUE CROSS TO EXTEND SERVICE

HARRISBURG (P) — Gov. Leader said today the State Insurance Commission was taking steps to make prepaid diagnostic services available to persons across the state.

Diagnostic medical and X-ray service was first offered to some 50,000 steel workers last year, Leader said, but Insurance Commissioner Francis R. Smith recently approved a Blue Cross request to offer the coverage in the Philadelphia area.

Premiums for the 250,000 who took the coverage last year will be reduced by a total of \$2,622,000 this year, Leader said.

The credit was made, he said, because cost of furnishing the diagnostic service was less than originally contemplated.

Leader said he was gratified that "efforts are being made to extend diagnostic service to greater numbers of our people. The public will be benefited immeasurably by being able to receive this care at costs which they can afford."

200 NEWSMEN AT PENN STATE

UNIVERSITY PARK, Pa. (P) — Some 200 Pennsylvania newspaper editors and publishers have been invited here Friday and Saturday to discuss ailments of the trade and suggest possible remedies.

The occasion is the annual Pennsylvania press conference which will be conducted under the joint sponsorship of the Pennsylvania Newspapers Publishers' Ass'n. and Pennsylvania State University.

A highlight of the conference will be the naming of two Pennsylvania publishers to receive the annual distinguished service awards.

A daily and a weekly newspaper publisher will be chosen for the awards in recognition of their professional and civic achievements during the last year.

Frank N. Hawkins, editorial page editor for the Pittsburgh Post-Gazette, will preside over the opening day panel session.

Stated to take part in the discussion are: Emery H. Ruby, editor of the Gallup Poll; Quinton E. Beauge, Williamsport Sun-Gazette; Leonard W. Randolph, Stroudsburg Record; William D. Reimert, Allentown Call-Chronicle, and E. J. Donohoe, Scranton Times.

SEN. IVES NOT A CANDIDATE

NEW YORK (P) — Sen. Irving M. Ives (R-NY) has decided against seeking re-election because of ill health, friend said Wednesday.

He has indicated he will make a formal announcement this afternoon.

Ives, in Washington, has been undergoing medical examination. The formal announcement was awaiting the doctor's report, but he already has told friends here that he does not feel up to making the race this fall for a third term.

"The chances of getting an okay from the doctor aren't too good," he remarked Tuesday in Washington.

Ives, 62, has been suffering from high blood pressure, nosebleeds and swollen ankles.

PREDICTS BIG 1959 DEFICIT

WASHINGTON (P) — Budget Director Maurice Stans today forecast a 1959 budget deficit of 8 to 10 billion dollars. He said this calls for a critical look at anti-recession programs that would entail more spending.

"The current recession should not be allowed to stampede us into hasty, ill-considered actions which will add unnecessarily to our future burdens," Stans said. In a speech prepared for the National Rivers and Harbors Congress, the budget chief said:

"Our income is down, our defense costs are up, anti-recession measures are under way and deficits of serious proportions confront us. Simple prudence compels us to rethink our work program and look critically at each one of the additional expenditure proposals being urged upon us."

Stans said officials tentatively foresee a budget deficit "in the general range of 8 to 10 billion dollars" for the fiscal year that begins July 1.

a tailor shop with eyebrow tweezers, a nail file and a lady's-size razor. Judge Anselm Sodaro convicted her of burglary.

Will Work On New Minimum Wage Law

HARRISBURG (P) — The State Labor and Industry Department has decided to work on a new minimum wage order for the restaurant, hotel and motel industries rather than appeal a court ruling against a previous order.

William L. Batt Jr., secretary of the department, said Wednesday after consulting with Atty. Gen. Thomas D. McBride that a new order would be drawn up to accord with the Dauphin County Court's decision. The court ruled the previous order was unconstitutional in that it deprived employers the right to cross examine during hearings held on the order.

Batt did not indicate what procedure would be followed in setting up the new order. The old order, which would have gone into effect earlier this week, set minimum rates at up to \$1.05 an hour for women and minors in the three industries.

GRAND PRAIRIE, Tex. — The battle of the bare legs went to the wearers of the shorts when the City Commission declined to act on a petition from 400 residents asking that shorts be outlawed in the downtown areas as indecent. Mayor Pro Tem Dewey Miller said he had been advised an ordinance against shorts would be unconstitutional.

HOUSE FOREIGN AID SUM TO BE GIVEN BOOST

WASHINGTON (P) — Eisenhower administration sources said today they will ask the Senate to vote more for foreign aid than the \$3,603,000,000 authorized by the House for the year starting July 1.

House passage of the big measure by a 259-134 rollcall vote Wednesday night tossed the issue to the Senate Foreign Relations Committee. Chairman Theodore F. Green (D-RI) scheduled closed sessions to write a bill starting next Tuesday.

The House knocked down all new money-cutting moves by lopsided margins. The bill had already been trimmed by the Foreign Affairs Committee 339 million dollars below what President Eisenhower said is the least needed for American and free world strength.

Advance signs were that the senators would vote authority for more funds, leaving the final amount to House-Senate compromise. Opponents focused on the separate appropriations bill that must be voted later to supply the actual cash.

SKELTON CRIES AT SON'S RITES

HOLLYWOOD (AP) — The body of Red Skelton's 9-year-old son was laid to rest with this eulogy:

"A President (Eisenhower) and a pope were his friends. Hundreds of thousands of men, women and children who had never seen him were his friends. Surely then, this was a special child who had touched so many lives."

Many celebrities were among the crowd of 1,000 who turned out Tuesday for the simple Protestant funeral rites for Richard Skelton. The youngster died Saturday night after a 16-month illness of leukemia.

Pope Sends Crucifix

Among those present were Fess Parker, Vincent Price, Hugh O'Brian, Johnny Weissmuller and Max Baer, ex-heavyweight boxing champion. All are family friends.

Pope Plus XII sent a personally blessed crucifix. It was entombed with the body.

The Pope met Richard when Skelton took him on a European tour last summer. The Skeltons are not Catholics.

The eulogy, written by Gene Fowler, was delivered by another close friend of the family, actor William Lundigan.

Skelton broke down when the coffin was lifted into the hearse for the procession to the mausoleum. The comedian who has devoted his life to making people laugh made no attempt to hide his tears.

ASK PROBE OF PA. CAMPAIGN

PITTSBURGH (AP) — U. S. Atty. Hubert I. Teitelbaum has been asked to investigate charges of political campaign irregularities in Pittsburgh.

The charges were made in a letter received Tuesday by Teitelbaum from Atty. Louis Glasco, Allegheny County manager of Lt. Gov. Roy E. Furman's campaign for the Democratic nomination for governor. Furman is campaigning against candidates endorsed by the state Democratic organization.

Glasco charged that a number of persons who used to live in Pittsburgh's Fifth Ward are still on that ward's voter registration list.

He also said he has been informed that a Pittsburgh councilman has threatened city employees with loss of their jobs if they fail to support organization candidates in the primary next Tuesday.

Councilman Paul F. Jones said he is the official named in Glasco's letter.

"It's a lie," Jones declared. "I have more sense than that. After all, I'm a lawyer."

Teitelbaum said he will refer the charges to Washington.

TROOP MOVE TO BE DISPUTED

WASHINGTON (AP) — The Eisenhower administration's dispatch of 1,000 fighting men to the Caribbean appeared destined today to figure largely in a Senate investigation of Latin American mob action against Vice President Nixon.

The inquiry, by a Senate Foreign Relations subcommittee headed by Sen. Wayne Morse (D-Ore), is expected to highlight a sharp division of opinion between Republicans and Democrats over the wisdom of the troop move.

Morse said he wants the State Department to tell why it didn't take advance precautions to prevent the kind of mob violence to which Nixon and his wife were subjected in Caracas, Venezuela.

"I want the vice president to know if he cares to volunteer any information he will be welcome," Morse said.

Sen. Hubert Humphrey (D-Minn), who joined several other Democrats in condemning the order sending paratroopers and Marines to U.S. bases in the Venezuela area, called for a searching investigation of U.S. relations with Latin America.

NEW HOPE FOR TRADE BILL

WASHINGTON (AP) — A possible compromise formula for limiting imports offered hope today for committee agreement on a new reciprocal trade bill.

Details remained to be worked out, but the compromise reportedly seeks to provide relief to U.S. industries threatened by imports without resort to specific tariff and quota restrictions.

Reflecting a new atmosphere of optimism, Chairman Wilbur D. Mills (D-Ark) of the House Ways and Means Committee reported he is now confident a trade extension bill would be approved by the committee Thursday or Friday.

The bill was certain to provide considerably less than President Eisenhower requested. But leaders regarded it as the best they could hope to get through the House in the face of hostile bipartisan opposition.

MARINATED CUCUMBER SALAD

Ingredients: 1 cucumber (about 8 inches long), 1½ tablespoons olive oil, 1 tablespoon cider vinegar, 2 teaspoons sugar, ½ teaspoon salt, salad greens.
Method: Pare cucumber; draw the sharp times of a fork down entire length of cucumber for scalloped effect; slice thin. With a fork beat olive oil, vinegar, sugar and salt together in a shallow wide container; add cucumber and mix well. Cover and refrigerate for a few hours; turn cucumber in marinade a few times. Serve with salad greens. Makes 4 servings.

BEEF AND BROCCOLI

Ingredients: 1 pound flank steak (partly frozen), 4 tablespoons sugar, 1 tablespoon cornstarch, 1 tablespoon cooking sherry, 2 tablespoons dark imported soy sauce, 1 clove garlic (crushed), 1 teaspoon minced fresh ginger, ¼ bunch young broccoli, boiling water, 2 tablespoons peanut oil.
Method: Cut flank steak in half lengthwise; trim off any thick layer of fat. Slice across grain so pieces are 1½ inches wide and ¼-inch thick; there should be about ¾ pound now. Mix sugar, cornstarch, sherry, soy sauce, garlic and ginger on plate; toss steak in mixture. Pare off outer covering of broccoli stalks with swivel-blade vegetable peeler. Cover broccoli with boiling water in kettle; over high heat bring water to full boil again; boil 1 minute; cover and let stand in hot water off heat. Heat a 10-inch heavy skillet; add oil; when very hot add meat and seasonings and any marinade not absorbed. Cook rapidly until very brown without stirring; turn with wide spatula and brown other side. Drain broccoli, reserving ¼ cup of the cooking water; arrange on serving platter. With slotted spoon place beef over broccoli. Add ¼ cup broccoli water to drippings in skillet; boil rapidly, stirring constantly to get up drippings, until slightly thickened; pour over beef and broccoli. Serve at once. Makes 4 servings. More than ½ bunch of the broccoli may be used.

SWEET MUSTARD SAUCE
Ingredients: ½ cup dark brown sugar (firmly packed), 2 tablespoons dry mustard, ½ teaspoon flour, ¼ teaspoon salt, ¼ cup water, ¼ cup cider vinegar, 1 egg.
Method: In the top of a small double boiler, mix together thoroughly the brown sugar, mustard, flour and salt. Gradually stir in water and vinegar until smooth. Beat egg enough to combine yolk and white; stir into mustard mixture. Cook and stir constantly over hot (just below boiling point) water until thickened. Serve hot or cold. Sauce stores well in tightly covered container in refrigerator. It's delicious with smoked tongue as well as with ham.

Cooks with herb gardens can reap extra rewards from a new book, "Accent on Seasoning" by Irma G. Mazza (Little, Brown). If fresh herbs are bought, or dried varieties are on kitchen shelves, this fine book may still be used to advantage. Irma Mazza's writing is as pleasurable to read as it is to cook by, and her book is a delightful companion. She's witty and practical—whether she is quoting a Victorian cook book that advised parents "to give corn poppings and chestnut roasts, to keep girls out of ice-cream parlours," or detailing directions for preparing casseroles and curries so a hostess "won't be cooked to death." The results of a careful home kitchen testing, the recipes are clearly written, and should improve most cook's repertoires.

"The Book of Herb Cookery" by Irene Botsford Hoffmann (Houghton Mifflin) has recently been revised and enlarged. Included are a plan for a sunken herb garden and recipes for many dishes that benefit from herbs.

"Treadway Inns Cook Book" by Ann Roe Robbins (Little, Brown) may be of interest to summer vacationers who like to cook. Travelers who have enjoyed particular dishes at these inns may find rules for them here. Mrs. Robbins visited all the inns, talked to their chefs, watched them work and put their recipes into family-size proportions in her own kitchen. She has a thorough acquaintance with cooking and enjoys imparting her knowledge—qualities that, lament-

STARKWEATHER TRIAL GOES ON

LINCOLN, Neb. (AP)—The defense laid plans today to present portions of statements by Charles Starkweather describing fully the deaths of 10 persons he has admitted killing.

The defense has pleaded Starkweather innocent by reason of insanity.

The sections are those the state deleted in offering into evidence two statements Starkweather, 19, signed after his capture in Wyoming last Jan. 29.

The prosecution presentation detailed only the events leading up to the actual slayings of nine of the 10 persons.

The other section related in full the murder of Robert Jensen, 17, Bennet, Neb., high school student, for whose death Starkweather is being tried.

The ¼ cup nonfat dry milk solids and instant coffee over. Beat rapidly with rotary beater (hand or electric) until stiff; this may take as long as 8 minutes. Gradually beat in sugar; continue to beat until mixture is stiff enough to hold peaks—2 or 3 minutes longer. Chill until served. Makes about 12/3 cups topping—part may be used with the diet ramekins; the rest may be used to top standard vanilla pudding or custard for non-dieting members of the family.

VANILLA RAMEKINS WITH COFFEE TOPPING

Ingredients: 1 envelope low-calorie vanilla pudding, 1 cup liquefied nonfat dry milk, ¼ cup water, ¼ teaspoon vanilla, ¼ cup nonfat dry milk solids, 1 teaspoon instant coffee, 1 tablespoon sugar.

Method: Make up the vanilla pudding according to directions on the envelope, using the 1 cup liquefied nonfat dry milk. Pour into 2 ramekins or small custard cups; chill. Shortly before serving time, pour ¼ cup water and vanilla into a deep 1-quart mixing bowl. Sprin-

SUPER-SALESMAN

OKLAHOMA CITY (AP)—F. H. Eischen is an enthusiastic supporter for the Lions Club eyebank, which gathers pledges for the donation of corners after death.

An Oklahoma City policeman stopped Eischen for a traffic violation. While the officer was writing out a ticket, the booster signed up the policeman to donate his eyes.

SUSPICIOUS CRUISER

CLEARFIELD, Utah (AP)—An agitated woman excitedly called Police Chief Alf Padgett and reported a mysterious white sedan was gliding by her house at regular intervals. The investigation was short-lived. The sedan turned out to be the police department's shiny new patrol car.

4 SCHOOLBOYS SUFFOCATE IN SALT MOUNTAIN

DETROIT (AP)—Four schoolboys trying to ride a load of salt out the bottom of a railroad hopper car suffocated Wednesday when they got stuck in the chute and buried in the avalanche.

Would-be rescuers, called by the victims' two playmates, dug with their bare hands, garbage can covers and other makeshift tools in a desperate attempt to free the trapped youngsters.

They were too late. Only one of the four was alive when freed and he died soon afterward.

An engineer from a nearby switch engine had to be called to move the railroad car so the salt wouldn't pile back into the hopper, hampering efforts to get the children loose.

Police identified the dead boys as Norman Clatterbuck, 14; Ricky Contardi, 12; Jimmy Healy, 13, and David Lachapelle, 10, all of Detroit. The two who escaped were Danny Lawler and Robert Fisher, both 11 and also of Detroit.

SAVED BY SHOE

WISE, Va. (AP)—A capricious wind slammed a door on Willard Fleenor as he was getting an ice cream order from his refrigerated truck. There was an inside lock to prevent anyone being trapped in such a manner—but it was frozen tight. Fleenor battered it loose with a shoe after 15 minutes of effort. The charge was dismissed.

DEATHS

By THE ASSOCIATED PRESS
TUCSON, Ariz. (AP)—Charles A. Bengston, 84, of Chicago, chairman of the Chicago Apparatus Co. and a pioneer in the scientific equipment field, died Monday. He was born in Ludington, Mich.

LOS ANGELES (AP)—James T. Durkee, 62, comptroller-treasurer of General Petroleum Corp., died Monday of a heart attack. Durkee who was born in Omaha, started with the firm as a laborer in 1919.

FLIRTING WITH DEATH

FLAGSTAFF, Ariz. (AP)—Joseph P. Lipinski Jr. of Flagstaff figures the best place for him is home in bed.

While fishing in the Gulf of California his boat capsized 15 miles off shore. He was rescued after several hours in the water.

Nine days later he was overcome by fumes while applying an enameled cement wall finish in a shower room at Arizona State College at Flagstaff. A school employee found him unconscious. He was pulled to safety.

CAUTION ABANDONED

LITTLE ROCK, Ark. (AP)—Municipal Traffic Judge Bob Laster said there was no doubt the man before him was guilty of unsafe driving but added that there was "a pretty good incentive." The defendant said he drove his automobile off a 12-foot bluff onto railroad tracks while speeding away from two unknown attackers who threw hot grease in his face when he visited his girl friend's house. The charge was dismissed.

PENNSY AWAITS VOTE RESULTS IN 1ST CONTEST

PHILADELPHIA (AP)—Stockholders of the Pennsylvania Railroad today awaited the results of the first contested election of directors in the company's 112-year history.

It probably will be several days before the votes are counted and the results are known. If the voting is close, it could take three weeks.

Randolph Phillips, New York financial consultant who ran alone against a company slate, has petitioned U. S. District Court to invalidate the management proxies and to enjoin the election of directors. The court postponed a hearing on the petition until Monday.

Faces Huge Loss

PRR President James M. Symes told the annual stockholders' meeting Tuesday the railroad faces a huge loss in the current recession with no profit in sight for 1958.

Phillips told more than 2,500 of the 146,023 stockholders present that PRR management "deliberately misrepresented" the facts in fighting his election to the 16-member board.

In the first quarter of this year the PRR has operated 15 million dollars in the red, compared to a profit of five millions in the like 1957 period.

Symes noted the number of PRR employees is now 80,000. He said that is 21,000 less than a year ago and "an all-time low figure as far back as the records go, which is more than 50 years."

CPR FIREMEN STRIKE ENDS

MONTREAL (AP)—A three-day strike of firemen against the Canadian Pacific Railway ended early Wednesday following agreement on a plan for gradual removal of firemen from all yard and freight diesel engines of the line. It is estimated the process will take 17 years.

The agreement was expected to set a pattern for U. S. railroads which had been awaiting an outcome of the Canadian dispute before moving to reduce their own diesel firemen.

In the agreement signed at one minute before midnight, the Brotherhood of Locomotive Firemen and Enginemen accepted the principle of gradual removal by promotion, retirement or death of approximately 2,900 firemen hired for yard and freight diesel work.

The strike only partially interrupted CPR service.

The agreement left unsettled negotiations for a new contract to replace one expiring May 31.

Orrtanna

ORRTANNA — Mrs. Hazel McDannel was hostess to the Margaret Donaldson Bible Class of the local Methodist Church at her home for their May meeting with 18 members present. The meeting opened with Scripture reading by Mrs. McDannel after which prayer was offered by the president, Mrs. Irene Stansbury.

The Bible lesson part of the 14th chapter of St. Mark was taught by Mrs. Mary Tressler, teacher of the class, followed by the following readings: "She Started Mother's Day," Mrs. Stansbury; "If You Had One Pound And I Had One Pound," Mrs. Mary Hess; "Heavy The Heart," Mrs. Ruth Spence and "I Am The Mother," Mrs. Tressler. The class planned for a strawberry festival at the church hall May 31 beginning at 4 o'clock. Chicken, corn soup, sandwiches, cake, ice cream, coffee and soft drinks will be on sale. Refreshments were served and a social hour held.

Mother's Day was observed on Sunday morning during the Sunday School hour at the Mt. Carmel EUB Church. Miss Denise Naugle had charge of devotions, Miss Carol Wetzel rendered a solo "Faith Of Our Mothers" with Mrs. Clyde Metz as piano accompanist. A reading, "God's Gift," was given by Miss Dottie Shindecker. Miss Kay Naugle gave a piano solo entitled "Songs My Mother Taught Me." E. J. Naugle spoke briefly and sang a vocal solo entitled "In That City." Ira Naugle, teacher of the Young Adults Class, taught the lesson to the entire group. Mrs. Clyde Metz was piano accompanist for group singing. Mrs. Luther Wetzel won the honor for being the oldest mother present, the oldest grandmother and the mother having the most grandchildren, 7. Mrs. Eugene McGlaughlin, 22, was the youngest mother. Mrs. Charles Holland and Mrs. George Haines were tied with each having four children present. Potted geraniums were presented to the honored guests.

Approximately 100 persons were present for the luncheon in the church social hall following the morning worship service with the Rev. Dr. and Mrs. S. B. Dougherty and the Rev. Roger Burnier, York; the Rev. Dr. Maynard Sparks, Lebanon Valley College, and the Rev. and Mrs. Amos Funk, Chambersburg, as special guests.

The luncheon was prepared and served by the Young Adults Class of the Sunday School.

The dedication of the church social hall followed at 2:30 o'clock with the Rev. Dr. S. B. Dougherty as guest speaker and the pastor, the Rev. Alfred Gotwald, in charge. The Rev. Dr. Maynard Sparks was guest speaker at the morning worship service.

Mr. and Mrs. Raymond Pepple spent Sunday in Hagerstown where they attended a Mother's Day and birthday party for Mrs. Pepple's mother, Mrs. Kathryn Weaver, who observed her 78th birthday anniversary on Sunday.

In addition to her six children and most of her grandchildren, two sisters, Mrs. Fannie Danzberger and Mrs. Haner, were present for the celebration. Luncheon with a special birthday cake was served. Mrs. Weaver received many gifts.

Mr. and Mrs. Earl Singley spent Sunday with their son-in-law and daughter, Mr. and Mrs. Edward Snyder, and family, Chambersburg.

Mr. and Mrs. Walter Tressler spent Sunday with their son-in-law and daughter, Mr. and Mrs. Paul Thomas, and their son, Mark, York.

Mr. and Mrs. Donald Baker, Baltimore, spent the weekend with their parents, Mr. and Mrs. Wilmer Wetzel, here, and Mr. and Mrs. Howard Baker, Gettysburg R. 3.

William Rollins returned to Bethlehem after spending the weekend with his mother, Mrs. Anne Rollins.

Mr. and Mrs. Edward Lewis, Thurmont, spent Saturday evening with the latter's parents, Mr. and Mrs. Earl Singley.

Mr. and Mrs. Donald Baker, Baltimore, spent the weekend with their parents, Mr. and Mrs. Wilmer Wetzel, here, and Mr. and Mrs. Howard Baker, Gettysburg R. 3.

The historic Longhorn cattle of Texas are not yet extinct. Rancher Emil Marks of Barker, Tex., still has about 100 of these razor-flanked, tough, durable breed among his herds. The Longhorns can live in little grass and water.

MIKE WALLACE INTERVIEWS TOP NAMES SUNDAY

By CHARLES MERCER

NEW YORK (AP)—A somewhat changed Mike Wallace is presenting a meaty, satisfying television program these Sunday evenings which examines the nature of American society in relation to its institutions.

Wallace, still the most incisive interviewer on network television, is a trifle weary of his largely undeserved reputation of being Peck's Bad Boy in a medium which largely favors a Little Lord Fauntleroy approach.

In his new program (ABC-TV,

Sunday's, 10 p.m., EDT) sponsored by the Fund for the Republic, Wallace has interviewed the theologian Reinhold Niebuhr, industrialist Cyrus S. Eaton, Supreme Court Justice William O. Douglas. Next Sunday his guest will be novelist Aldous Huxley.

Motive Misunderstood

The discussions are of ideas rather than personalities.

"I've moved away from the personal interview," says Wallace, "because I feel that my motives were being misunderstood. People got the idea that I was out to shock. Once I had that reputation, people seemed to be disappointed unless there was some blood-letting in an interview."

"Nightbeat," the New York local interview program on which Wallace first gained attention before he moved to a network, "was basically not much more than a thought-provoking program," he

said. "Occasionally somebody said something surprising—and people pounced on it as shocking."

Still Has Friends

Although he says he enjoys his new series more, Wallace says that his relationship with his old sponsor was "extraordinary in this business. They let us do what we wanted to and never complained."

Of that year of personal interviews Wallace regrets only one or two. "I don't feel that I was too rough. The people with whom I talked are still my friends. Everyone came on of his own free will, you know."

Wallace's contract with ABC-TV runs until May 1, 1959. His current series is scheduled for 13 weeks — with all serious-minded television viewers hoping that it will be extended.

ADVERTISE IN THE TIMES

FAIR WEATHER SEEN BOON TO PA. FARMERS

HARRISBURG (AP)—The return of fair weather is expected to help farmers with their field work this week.

The State Agriculture Department, in its weekly federal-state crop survey report, noted Tuesday that rain and below normal temperatures hampered such work the past week. The rainfall, the report added, was the greatest for any week so far this year.

The report continued: "With good weather this week farmers will be able to make headway with the planting of corn

and other crops.

"Home-grown asparagus and spinach are appearing on local markets in heavier volume and some cuttings are going to processing plants. Early vegetables were at a standstill all last week in most sections of the state. Tobacco plants made slow growth.

"Wet weather hampered pollination of apples when bees were prevented from working on the pollen.

"Hay fields made excellent progress and little damage from insects is reported to date. Spraying for spittle bug and alfalfa weevil was held up. Pastures in most areas were too wet for the grazing of cattle and many farmers cut grass and hauled it to the cattle.

Some winter freeze damage to new seedling of hays is showing in scattered sections."

20 STUDENTS FINED

CARLEISLE, Pa. (AP)—A traditional water battle between members of two fraternities at Dickinson College ended in disorder Tuesday. Twenty students were arrested for disorderly conduct but were released upon payment of \$25 each by college authorities.

Police Chief Edward Still said he stepped into the water battle when some onlookers were drenched. He called out two fire companies and told the firemen to stand by for action.

France Replaces Algerian Junta With General Salan

PARIS (AP) — The French government has ordered Gen. Raoul Salan to take over command of Algeria from an insurrectionist junta led by a tough paratroop officer.

In its first official action since being installed early Wednesday, the new cabinet of Premier Pierre Pflimlin also banned all public demonstrations throughout France and in Algeria.

Salan, commander of all troops in Algeria, was ordered to take full command in the North African Colony from paratroop Gen. Jacques Massu.

Massu demanded that President Rene Coty put wartime hero Gen. Charles de Gaulle at the head of a government outside politics. This would be a military dictatorship.

"Maintain Law, Order"

The cabinet told Salan to maintain law and order in the Algerian capital of Algiers and to guarantee the protection of lives and property.

Coty had ordered the army in Algeria to call off its insurrection against Premier Pflimlin's government.

"In my capacity as chief of the army . . . I give you an order to fulfill your duties under the authority of the government of the French republic," Coty said in a message prepared for broadcast to Algeria.

The leader of the military junta which had seized power in the North African capital, paratroop Gen. Jacques Massu, meanwhile

repeated his demand that Coty summon a wartime hero Gen. Charles de Gaulle from retirement to head a government "outside politics" — a military dictatorship.

Attacks Cabinet

Massu demanded that the war on the Algerian rebels be pushed vigorously to conclusion. In a new statement broadcast by Algiers radio he termed the Pflimlin Cabinet a "government of abandonment."

The Assembly reacted immediately to the military seizure of power in Algiers and in a post-midnight session voted Pflimlin into office 274-120. Coty installed the Cabinet at once.

The Assembly vote came after a day of wild rioting by French ultranationalists in Paris and Algiers. In the North African capital the mob sacked the U.S. information library and occupied the central government building, finally giving way to the military. In Paris police cordons kept the demonstrators from storming the Assembly building and arrested some 85 leaders of extreme rightist political groups.

The demonstrations and the Algerian coup were sparked by fear that Pflimlin's moderate government might yield to increasing international pressure to end the 3½-year-old Algerian rebellion by political concessions which would loosen French control in Algeria. Both mobs shouted anti-American slogans, the result of persistent reports that the U.S. government is urging negotiations with the Algerian nationalists.

BEDFORD, Pa. (AP) — The Pennsylvania Petroleum Assn. has called on gasoline suppliers and gasoline companies to try to put an end to price wars.

At the closing session of the association's three-day convention Tuesday, some 270 delegates passed a resolution urging gasoline suppliers to end voluntary price supports to dealers in depressed market areas. The resolution also asked gasoline companies to stop making private deals for subsidies with dealers.

Two Are Killed In Auto Collision

WHITEVILLE, N. C. (AP) — A Pennsylvania woman was in the hospital today with critical injuries suffered in an auto collision in which her two companions were killed.

Mrs. Rose Ann Meder of Bethlehem, Pa., was hospitalized with head and possible internal injuries.

The dead were Mrs. Meder's daughter, Loretta, and Mary Rose Turner, both of Bethlehem.

Cpl. T. P. Hoffer of the state highway patrol said the automobile in which the three women were driving swerved on U. S. Highway 701, about 350 yards from the Whiteville city limits. He said they apparently were trying to avoid hitting a dog.

The car cut back onto the highway into the path of a delivery truck driven by James Dewey Crabb, 28, of Fayetteville, N. C.

World Briefs

WARSAW (AP) — Poland's Communist party waded into the Moscow-Belgrade squabble Wednesday with a 5,000-word statement rebuking the Yugoslavs for not placing prime blame for the cold war on American imperialism.

The statement charged that U.S. imperialists were responsible for the world's division into blocs.

The Polish criticism came in the wake of Kremlin warnings that Yugoslavia must get into step with the rest of the Communist world under Moscow orders.

The Warsaw complaint hinged mainly on the fact that the Yugoslavs in their recently adopted party program gave the Russians equal blame with the West in causing world tension.

MADRID, Spain (AP) — Generalissimo Franco has awarded the Grand Cross of Naval Merit to Rear Adm. William R. Smedberg, superintendent of the U. S. Naval Academy, for the reception the academy gave visiting Spanish midshipmen last week.

The midshipmen included Prince Juan Carlos, son of the pretender to the Spanish throne.

BUENOS AIRES (AP) — President

Arturo Frondizi carried out an election pledge Tuesday night by ordering a blanket wage increase but took no steps against the inflation which has accompanied previous pay hikes.

In a nationwide radio address Frondizi ordered salaries raised 60 per cent over their Feb. 1, 1956, level. Most workers have won raises since then and these will be figured in the 60 per cent.

The increases will be about 200 pesos (\$5.20) a month for the average white collar worker who now makes about 2,000 pesos (\$52) a month.

HONG KONG (AP) — Twelve American passengers are reported aboard the U. S. freighter President Hayes, aground on a coral reef in the Paracel Islands 400 miles southeast of Hong Kong.

The American President Line ship also carries 59 crewmen under Capt. O. A. Larson, all Americans. The line's local agent said no one was in any danger.

A tugboat was en route from Hong Kong to pull the Hayes off.

VIENNA (AP) — Communist propagandists had a field day Wednesday with the reports of anti-American outbreaks in Lebanon and Venezuela and the demonstrations in Algiers and Paris.

Paced by Tass and radio Moscow, the satellite radios of Eastern Europe joined in pouring out the anti-Western news and propaganda. All the satellite countries also have extensive broadcasts in Arabic to the Middle East and North Africa.

Plan Hearings On Carlisle Bypass

HARRISBURG (AP) — The State Highway Department has offered to hold public hearings on proposed construction of a section of the Carlisle bypass and two highway projects in Cumberland County.

The Carlisle bypass section will be the first portion of the Cumberland Valley freeway which extends from Chambersburg to the Susquehanna River north of here.

The bypass section extends from two miles southwest of Carlisle northeasterly across traffic routes 33, 34, 74 and 641.

One of the Cumberland County

rioters who attacked U. S. installations as "patriots fighting the chief imperialist power." They described the Venezuelan demonstrators who stoned and spat upon U. S. Vice President and Mrs. Nixon as "fighters against Yankee exploitation."

LONDON (AP) — Premier Khrushchev and visiting President Nasser met in Moscow's Kremlin palace Wednesday to resume talks aimed at strengthening ties between Russia and the United Arab Republic.

Moscow radio said Khrushchev was accompanied by Soviet President Klementi Voroshilov and other Soviet officials. Nasser was accompanied by several U. A. R. leaders.

BOMBINGS ARE BEING PROBED

DETROIT (AP) — A wave of bombings of small business places recalling the extortion racket violence of Detroit's gang-ridden prohibition days has attracted the interest of Senate investigators.

Staff members of the special investigating committee headed by Sen. John L. McClellan (D-Ark.) said Tuesday there may be a link between the mysterious dynamiting of small auto wash racks and cleaning and barber shops here and the underworld in New York, Chicago and Miami.

The committee, looking into wrongdoing in the labor-management field, currently is examining evidence that members of the Mafia, secret brotherhood of criminals, has extended its operations from the East Coast deep into the Middle West.

The pattern followed suggests the bombings — the work of experts — may be directed against businesses which have cut prices below prevailing rates.

Projects would improve traffic Route 114 from Shepherdstown to an intersection with U. S. 11 near Hagerstown. The other project would improve two legislative routes from Yellow Breeches Creek, near Williams Grove Park, northerly to Mechanicsburg borough.

Date Is Set For Highway Hearing

HARRISBURG (AP) — The Highway Department has set May 26 for a hearing on a proposed improvement on U. S. 22 in Berks County.

At the same time, it announced two newly improved sections of the highway in Lehigh and Berks counties will be opened to traffic today.

The May 26 hearing, set for Harrisburg, will concern proposed conversion of a 15-mile section from the Lebanon County line to Shartlesville, Berks County, to a fully controlled access road.

The sections being opened today, six miles in all, are between Krumsville, Berks County, and New Smithville, Lehigh County.

ATLANTA (AP) — A suburban East Point man is suing himself — by mistake.

Emmett E. Ison filed papers in East Point City Court to recover \$87 damages in a broken auto-windshield case.

Papers were served on Ison Monday. In filling out the papers, Ison had written his name in the wrong spot and became the defendant instead of the plaintiff.

Michigan State's three star golfers are graduates of Lansing Eastern High School. They are Arlin Dell, Otto Schubel and George Wakulsky.

IDENTIFIED IN MORE THEFTS

PHILADELPHIA (AP) — Two additional holdups have been attributed to John Orsino, 31, wounded May 8 after the abduction-robbery of a Bell Telephone Co. coin collector.

Orsino, of Gloucester City, N. J., was given a bedside hearing Tuesday at Philadelphia General Hospital. He denied each new accusation, but he was identified by Francis Knight, 20, another Bell collector, and Wilbur Berryman, 43, a service man for the Keystone Vending Co.

Knight told Magistrate William Blesman that Orsino was one of two men who held him up on Feb. 8 and took about \$3,000. Berryman said Orsino was one of two bandits who robbed him of \$1,000 of his firm's cash and about \$800 worth of cigarettes on Feb. 5.

Detective Lawrence McCallion, who was shot twice in the May 4 abduction-robbery, formally identified Orsino as the man who shot him. David Gahan, 19, the coin collector who was abducted, said he didn't see Orsino's face and could not identify him.

Magistrate Blesman held Orsino without bail for court on a variety of charges including robbery, abduction assault with intent to kill and conspiracy.

GENERAL TAX CUT SENTIMENT SEEN FADING

WASHINGTON (AP) — Sentiment appeared to be solidifying in Congress today against any general tax reduction and in favor of cuts in some excise levies.

Four key senators said in separate interviews they believe a greater stimulus to the economy than action to lower income taxes.

President Eisenhower was described by an influential Republican senator as indicating at White House meetings that he is opposed to a general tax cut.

This sort of thinking appeared to be taking hold among some Democrats.

Sen. Robert S. Kerr (D-Okla.), a member of the Senate Finance Committee, said he will support action to revise the 10 per cent levy on automobiles, the 3 per cent charge on freight and the 10 per cent charge on passenger transportation.

Kerr predicted corporation taxes will be held at 52 per cent and that individual income levies will remain unchanged.

Sen. Irving M. Ives (R-N.Y.) discounted chances of a general tax cut this year.

Sen. Albert Gore (D-Tenn.), a finance committee member, said he doesn't find any sentiment, particularly from his state, for a general tax reduction. He said he would favor readjustment of the excise levies.

Sen. John Bricker (R-Ohio) said he will vote to wipe out all of the excise levies except those on tobacco and liquor.

In other developments Wednesday:

1. In New York, the National

Industrial Conference Board reported that consumer prices rose 3.2 per cent above the level a year ago to set a new high for the 24th consecutive month. Food prices rose most.

2. The Federal Reserve Board said production in mines and factories dropped in April for the eighth straight month, reaching the lowest point since 1954.

3. The Senate, as a means of increasing automobile sales, passed a bill to require that all new passenger cars carry the manufacturer's suggested retail price along with prices of extras and accessories.

12 HOSPITALS IN STATE WILL SHARE FUNDS

HARRISBURG (AP) — Twelve hospitals in Pennsylvania will share a \$12 million-dollar federal appropriation for hospital construction this year.

Included is Lock Haven Hospital, which will receive \$835,000 towards its \$2,503,000 construction project.

The division of the money was announced Wednesday by State Welfare Secretary Harry Shapiro. He said the allocations are subject to approval by the U.S. Public Health Service.

The other hospitals are Lee, Johnstown; Mercy, Wilkes-Barre; Wilkes - Barre General; Doyle County Memorial, Kittanning; Mercy, Altoona; Nason, Roaring Spring; Pottsville; Harrisburg, and South Side, Pittsburgh.

The allocations originally were made for 1959 but were stepped up in order to open up job opportunities. Shapiro said federal officials have advised other states to follow Pennsylvania's example in accelerating the work.

Shapiro said the money would be offered on the proviso that the hospitals are ready to begin construction not later than Dec. 1.

News Brief

NORTH PROVIDENCE, R.I. (AP) — Firefighters rang the doorbell at the home of Mrs. Charles Brown seeking contributions for the Mariaville Volunteer Fire Co. She was glad to see them. Her television set had just caught fire.

ANGELES' CAMP, Calif. (AP) — The United Nations has been asked to help with Calaveras County's international frog jumping contest by lending the meet two translators to work out the many let-

ters from foreign countries received by the officials.

HUNTSVILLE, Tex. (AP) — When the lights went out all over town, inmates at the Texas State Prison's main unit behaved perfectly. But male students at Sam Houston State College used the blackout to raid the girls' dormitories, and school officials had to call out the band and stage a pep rally to restore order.

BOISE, Idaho (AP) — The Idaho Prune Advertising Assn. has changed the name of fresh Italian prunes grown in the state to Idaho Purple Plums. Secretary Lee Heller of the association explains, "All prunes are plums. But since most varieties cannot be dried, not all plums are prunes."
